Ms. Carla Paschal  
Finance Director  
Winnebago County  
404 Elm Street  
Rockford, IL 61101

Dear Ms. Paschal:

Baker Tilly Virchow Krause, LLP (Baker Tilly) is grateful for the opportunity to submit this proposal to assist Winnebago County (the County) with your audit needs. We understand that the County seeks a qualified certified public accounting firm to perform annual audits for the fiscal years ending September 30, 2017, 2018 and 2019 including a separate audit for the Circuit Clerk.

From experience to service to insights, Baker Tilly has several unique advantages that are important to your selection of a firm:

> **Extensive governmental and county audit experience.** We audit more than 30 Midwest counties with seven county clients in Illinois including five of the six largest in the state and located near Winnebago County (DuPage, Kane, Lake, McHenry, and Will).

> **Exemplary CAFR record assures the County of continued GFOA recognition.** You seek a firm whose clients excel in receiving the certificate of achievement from the GFOA, and we are that firm. You can rely on our ability to assist in the preparation/review of an award-winning CAFR. Baker Tilly has more GFOA reviewers than any other firm in the country. We understand the County intends to submit the CAFR for the award certificate, and we will help you create a plan to meet this goal.

> **Single audit leadership.** Baker Tilly performs more than 500 single audits annually; the third most of CPA firms in the country. This portion of the audit is not viewed as supplementary to the financial statement audit, but rather a critical component to help you in your federal award management process.

> **We share our knowledge with you.** We are actively involved in the government accounting industry, locally and nationally, serving as committee members, speakers at conferences and authors of numerous publications. We share this knowledge with our clients including at the Illinois County CFO Roundtables.

> **Exceptional Client Service.** Our commitment to deliver a “no surprises” approach will be distinguished by regular communication and effective project management. Your team is committed to delivering Exceptional Client Service. The 2017 Vault Accounting 50, an annual ranking of best accounting firms to work for, ranked Baker Tilly ninth – well above the ranking of our closest competitors. By maintaining an “employer of choice” culture, we are able to support engagement team continuity and deliver on our promise of Exceptional Client Service.
Ms. Carla Paschal  
Winnebago County  

September 29, 2017  

Our proposal details how we will leverage our deep County government experience to working with you to accomplish your objectives. We also included testimonials to show how we provide knowledge and experience-based insights that create measurable value for our clients.  

You will be an important client of our firm, and we look forward to a successful and lasting relationship as your Valued Business Advisor.  

Sincerely,  

BAKER TILLY VIRCHOW KRAUSE, LLP

- **Membership in the Government Audit Quality Center (GAQC)**
  - Baker Tilly has been a member since the Center’s inception and has also served multiple terms on the Executive Committee of the GAQC.

Please refer to the fees below.

We will not bill the County for routine phone calls or for first-year start-up or transition time. In the event a unique or complex issue arises, we will work with you to determine the level of assistance required and arrange an appropriate fee for our services. We always will tell you if the assistance you require is outside the scope of our agreed-upon engagement.

Assumptions

The quoted professional fees assume the auditors will assist with preparation of the financial statement schedules and notes. The County will prepare the GASB 34 conversation entry support, statistical section, management’s discussion and analysis, and transmittal letter.

We understand the accounting records will be reconciled and supporting work papers will be available at the start of our audit. Minimal auditor journal entries are anticipated.

Your Finance Committee presents the following Ordinance amending the Annual Appropriation Ordinance for the fiscal year ending September 30, 2017 and recommends its adoption.

ORDINANCE

WHEREAS, the Winnebago County Board adopted the “Annual Budget and Appropriation Ordinance” for the fiscal year ending September 30, 2017 at its September 29, 2016 meeting; and,

WHEREAS, 55ILCS 5/6-1003(2014), states, “After the adoption of the county budget, no further appropriations shall be made at any other time during such fiscal year, except as provided in this Act. Appropriations in excess of those authorized by the budget in order to meet an immediate emergency may be made at any meeting of the board by a two-thirds vote of all the members constituting such board, the vote to be taken by ayes and nays and entered on the record of the meeting.”

NOW, THEREFORE, BE IT ORDAINED, that the County Board deems that pursuant to the provisions as set forth in 55ILCS 5/6-1003(2014), certain conditions have occurred in connection with the operations of the County which are deemed to be immediate emergencies; therefore the following increases are hereby authorized.

2017-029 Detention Center

Reason: The request is for an increase in the detention home budget to cover the cost of hiring 4 additional staff. The need for the positions was created by the imposition of Supreme Court Rule 942 and the Detention Center taking on responsibility of transporting remanded minors from the court. The total 2017 cost of this request is approximately $115,000. However, savings from leaving other positions open can be utilized to bring the request down to $50,000.

Alternative: N/A

Impact to fiscal year 2018 budget: The estimated annual cost for these four positions is $205,140. This calculated as follows: Base Salary $131,098; Shift Differential $546; Health Insurance $68,000; Life Insurance $96; and Temporary Salaries $5,400.

Revenue: No additional revenue streams are anticipated. Therefore, the request would be funded from the Detention Home Fund.

RE: Required Bailiff Hiring

Dear Carla,

Based on a recent amendment to the Associate Judges Act (P.A. 99-520), the Illinois Supreme Court authorized the 17th Circuit Court to increase its number of Associate Judges from fourteen to fifteen. Attorney Donald P. Shriver has been selected for this new judgeship and will take office on March 3, 2017.

Bailiffs play a critical role in court operations. Bailiffs not only maintain security within the courtrooms but also assist the presiding judges by orchestrating each court call and the flow of litigants and cases. They work hand-in-hand with Winnebago County Corrections to ensure that inmates are transported as efficiently as possible. Bailiffs are trained to recognize and respond to disability and language access needs, and in a more generic sense are the court’s customer service representatives in the courtroom.

Currently, 22 bailiffs serve the 21 presiding judges in Winnebago County. Even maintaining a simple 1:1 ratio of bailiffs to judges is a persistent challenge and is less than ideal.

By way of example, all judges with felony caseloads regularly conduct felony status calls in the Winnebago County Criminal Justice Center. It is common to have 50 or more defendants facing felony charges scheduled on a single felony status call. Any high volume call, especially these felony status calls, require more than one bailiff to safely oversee the proceedings.

Similarly, jury trials necessitate more than one bailiff. One bailiff is needed to oversee the movement and sanctity of the jury while at least one other bailiff is needed to maintain order in the courtroom.
Other unique case characteristics prompt additional staffing needs, such as alleged gang activity, high-profile cases, and matters in which parties have made threats or acted unruly during past court appearances. Because volatile situations can arise in any context, the bailiffs and the Winnebago County Sheriff's Department maintain a shared electronic calendar to identify and track matters that require additional security needs.

With the addition of a new judge and the operation of a new courtroom, it is necessary for the court to hire an additional bailiff. Current staffing levels are inadequate and put court staff and the public at risk.

Attached is a copy of my posting for this new position. The estimated cost of this position for the remaining six months of this fiscal year, not factoring in benefits, is approximately $13,700. Prior to being charged back $15,550 for early retirement expenses, the circuit court was running a combined personnel shortfall of approximately $7,165.

Thomas R. Inceway

Re: Circuit Court & Public Defender Westlaw Amendment

Dear Ms. Paschal,

The ability to conduct legal research is essential for attorneys and judges in order for them to perform their jobs. The Circuit Court, the Public Defender’s Office and the State’s Attorney’s Office have joined together on a single contract to obtain the best possible price for legal research needs from Thomson Reuters. The specific tool used is called WestLaw.

WestLaw is an electronic subscription that allows users to access different databases maintained by Thomson Reuters. Users on our shared account have access to only the basic, minimum required databases for Illinois and Federal cases and statutes.

Prior to this fiscal year (FY17) the Winnebago County Law Library funded user subscriptions for individuals in the Circuit Court and Public Defender’s Office. The Law Library is unable to bear this cost in FY17 due to continued reductions in its operational funds. The Law Library is funded by civil filing fees and its revenue has decreased as filings in certain civil case types have decreased.
The decision to move these expenses from the Law Library to the Circuit Court and Public Defender was made after the FY17 budget was approved. Legal research is an essential tool. We do not have funds to transfer from other budgeted line-items to cover this expense.

AMENDMENT TO HOST COUNTY AGREEMENT

This Agreement ("Agreement") is executed July 28, 2009, by Winnebago Reclamation Service, Inc., an Illinois corporation (Winnebago Reclamation), Rock River Environmental Services, Inc., an Illinois corporation ("Rock River"), Winnebago Landfill Company, LLC, an Illinois limited liability company ("Winnebago Landfill Company"), and the County of Winnebago, Illinois (the "County").

The parties have previously entered Host County Agreement dated July 8, 2005 (the Original Host County Agreement) relating to a landfill facility located in the County. The Original Host County Agreement was amended by an amendment dated September 15, 2006 (the "Amendment"), to confirm the terms of the Property Value Protection Plan provided for in the Original Host County Agreement. Where no distinction is required by the context, the Host County Agreement as amended by the Amendment dated September 15, 2006, is referred to as the "Host Agreement."

The Host Agreement is the result of a cooperative effort by the County and Winnebago Landfill Company in planning and implementing solid waste management activities in the County and in the development of the Landfill Facility as a resource that can assist in meeting the general revenue needs of the County, including the County’s efforts in economic development, solid waste planning, education, enforcement and other responsibilities.

The parties desire to amend the Host Agreement to reduce the Host Fee payable with respect to the municipal solid waste ("MSW") generated under certain proposed large volume contracts with a specific customer which will utilize the Landfill Facility for the annual disposal of an average of approximately 1200 tons per day of MSW. The County has determined that it is in the best interests of the County to do so and the parties desire to reduce the terms of the amendment to writing.

Therefore, for valuable consideration, the parties agree as follows:

1. Amendment to Surcharge Host Fee. Paragraph 20 of the Host Agreement is amended by adding an additional subparagraph (d) which reads as follows:

   (d) Notwithstanding the preceding provisions of this paragraph 20 or paragraph 18 to the contrary, commencing as of August 1, 2009, the Surcharge Host Fee shall be $1.00 per ton with respect to: (i) all Waste subject to the Surcharge Host Fee which generated through the Glenview, Illinois, Transfer Station owned by the Solid Waste Agency of Northern Cook County ("SWANCC") under the contract between SWANCC and Groot Industries initially dated November 22, 1995, and any amendments to or replacements of that contract; and (ii) all Waste generated through transfer stations owned and/or operated by Groot Industries and disposed of at the Landfill Facility pursuant to an agreement dated effective as of August 1, 2009, between Winnebago Landfill Company and Groot Industries, and any amendments to or replacements of that contract.
2. Amendment to CPI Adjustment. Paragraph 20 of the Host Agreement is amended by adding an additional subparagraph (e) which reads as follows:

(e) Notwithstanding the preceding provisions of this paragraph 20 to the contrary, the Surcharge Host Fee and the Base Host Fee payable with respect to Waste described in subparagraph 20(d) above shall not be subject to the adjustment described in this paragraph 20.

3. Records. Subparagraph 21(b) of the Host Agreement is amended by adding the following additional sentences and the end of the existing subparagraph:

The records maintained by Winnebago Landfill Company shall reflect the total quantity of Waste described in subparagraph 20(d) above which is disposed of in the Landfill Facility on a daily basis. Each payment of Host Fees subsequent to the date of this Agreement shall be accompanied by a report reflecting the calculation of Host Fees payable with respect to the total quantity of Waste subject to Host Fees other than Waste described in subparagraph 20(d) above and with respect to the total quantity of Waste described in subparagraph 20(d) above.

4. Other Provisions. In all other respects, the provisions of the Host Agreement shall remain unchanged and in full force and effect.

To evidence their Agreement, the parties have executed this instrument on the date set forth in the caption.

CLERK OF THE COUNTY BOARD
OF THE COUNTY OF WINNEBAGO, ILLINOIS

HOST COUNTY AGREEMENT

This Host County Agreement ("Agreement") is made this 5th day of December, 2011, between Winnebago Reclamation Service, Inc., an Illinois corporation ("Winnebago Reclamation"), Winnebago Landfill Company, LLC, an Illinois limited liability company ("Winnebago Landfill Company"), and the County of Winnebago, Illinois (the "County").

Winnebago Landfill Company is the owner of the landfill facility located on Lindenwood Road in unincorporated Winnebago County, Illinois. Winnebago Reclamation is the current operator of the landfill facility located on Lindenwood Road in unincorporated Winnebago County, Illinois.

The facility which includes the Landfill was granted local siting approval on October 12, 1990 and December 8, 2005, by the County, pursuant to Section 39.2 of the Illinois Environmental Protection Act (the "Act"), 415 ILCS 5/1 et seq. The facility, as currently permitted, includes five Municipal Solid Waste Landfill units ("MSWLF units"), a recycling center, a landfill gas processing plant, borrow sources including a permitted limestone quarry, and other related improvements and undeveloped land. Three of the existing MSWLF units are now closed and the other two are expected to reach capacity and be closed by approximately 2019. The legal description of the facility is attached as Exhibit A, and a site plan depicting the facility is attached as Exhibit B.

Rock River Environmental Services, Inc. is an affiliated company of Winnebago Landfill Company and Winnebago Reclamation Service and is engaged, in the collection, transportation, and disposal of municipal solid waste and other nonhazardous wastes, recyclable materials, and the collection and composting of yard waste. A substantial part of the wastes that are disposed of at the Facility and the recyclable materials that are processed at the Facility are collected and transported by Rock River and its subsidiaries.

Where no distinction is required by the context Winnebago Reclamation, and Winnebago Landfill Company are referred to in this agreement as the "Companies."

Winnebago Landfill Company intends to file a request with the County for local siting approval for an expansion of the Facility which will include the development of one additional MSWLF unit. The additional unit will lie to the east of the existing MSWLF units on adjacent real property.

Although the precise details of the Expansion (as defined below), including the waste boundaries and capacity of the proposed MSWLF unit, have not been determined, it is anticipated that the Expansion will be generally as depicted on the site plan attached as Exhibit C.

Under applicable Illinois law, the County has the primary responsibility for solid waste management planning in the county, including both unincorporated and incorporated areas. The County desires to obtain the assistance of the Companies in providing solid waste management planning, education and services for its residents and desires to use revenues which it may lawfully derive from the operation of pollution control facilities in
the County to defray the costs of its solid waste management responsibilities and for the
general economic development and governmental functions of the County.

Winnebago Landfill Company is willing to cooperate with the County in planning
and implementing solid waste management activities in the County and to pay the County
a "Host Fee," based on the operation of the Facility, including the Expansion, to be used to
assist the County in meeting the general revenue needs of the County as the County may
decide appropriate, including the County's efforts in economic development, solid waste
planning, education, enforcement and other solid waste related responsibilities.

The County desires to secure, and Winnebago Landfill Company is willing to
provide, long-term landfill disposal capacity and other waste management services for
residents, businesses and institutions located in the County.

Winnebago Landfill Company and Winnebago Reclamation have owned and
operated the Facility since 1972, and during that period have provided safe and responsible
landfill and waste management services to residents, municipalities and businesses in the
County, and the Companies and their affiliates have been active participants in local
economic development efforts and environmental organizations and have promoted
environmental education efforts in the County.

The Companies will continue to own and operate the Facility and the Expansion in
the County for the foreseeable future, and continue their participation in County
environmental and economic development activities and to keep the County fully
informed of the nature of their operations and their expansion plans. In this regard, it is the
policy of the Companies to demonstrate that its operations are, have been and will
continue to be conducted in an environmentally sound manner.

The County desires to protect the health, safety and welfare of its citizens, assist
with public environmental education, ensure that factually and technically accurate
information relating to the Facility is given to the public, and receive appropriate fees to
help meet the costs of County government.

NOW, THEREFORE, in consideration of the mutual undertakings set forth in this
Agreement and the opportunity for public/private cooperation on environmental and solid
waste management matters and other valuable consideration, the sufficiency, adequacy and
receipt of which is acknowledged, the parties agree as follows:

Incorporation of Recitals. The above recitals are incorporated as part of this
Agreement as though fully set forth in this paragraph.

Capitalized Terms. Each capitalized term that is not expressly defined in this
Agreement shall have the meaning provided for it in the then current Act, as amended, and
the applicable regulations promulgated under the Act.

"Closure" as applied to a landfill or other waste treatment or disposal facility
shall have the meaning provided in the Act and the applicable regulations.

"Expanded Facility" shall mean the total development consisting of the Facility and
the Expansion.

"Expansion" shall mean the real property described on Exhibit D, including one or
more MSWLF units and other improvements, generally as depicted on Exhibit C.
"Expansion Date" shall mean the date on which Waste is first disposed of in the Expansion.

"Facility" shall mean the real property and improvements described on Exhibit A and depicted on the site plan attached as Exhibit B.

"Hazardous Waste" shall mean Waste which is then defined as "hazardous" or "toxic" by the Act, the regulations adopted under that Act, or by the corresponding provisions of federal environmental law.

"IEPA" shall mean the Illinois Environmental Protection Agency.

"Siting Approval Date" shall mean the date on which local siting approval for the Expansion first becomes final and non-appealable.

"Transfer Waste" shall mean Waste that is delivered in vehicles, commonly referred to as "Transfer Trailers" designed for the transport of at least 40,000 pounds of material. All other wastes shall be treated as "direct haul waste" and shall exclude non-hazardous special wastes and alternative daily cover material.

"Unacceptable Waste" shall mean any Hazardous Waste, any Wastes which are not permitted to be accepted for disposal at the Facility under applicable law and any Waste which Rock River determines may cause inconveniences in the daily operation of the Facility.

"Waste" shall mean and refer to all non-hazardous material and substances defined as Waste under the Act, but shall not include materials used as Alternative Cover Materials, compost, Clean Construction and Demolition Debris, Publicly Owned Treatment Works (POTW) biosolids, pollution control waste or road building and other materials that are used for a beneficial purpose within the Facility or the Expansion.

**Property Covered.** This Agreement covers the Expanded Facility.

**Effective Date.** This Agreement shall be effective as of the date on which duly authorized individuals from the parties have executed it.

**Expiration Date.** The "Term of this Agreement" shall expire on the later to occur of the following: (a) thirty (30) years after the Closure of all waste disposal units located at the Expanded Facility; or (b) thirty (30) years after the Closure of the Expanded Facility. If applicable law or IEPA action requires a landfill post closure care period of more than thirty (30) years, the thirty (30) year period provided for in this section shall be increased to the number of years for which landfill post closure care is required.

**Ban on Hazardous Waste.** Winnebago Landfill Company will not knowingly accept, treat, or dispose of any Hazardous Waste at the Facility or the Expansion.

**Capacity for the County.** Commencing on the Siting Approval Date Winnebago Landfill Company will have a minimum of twenty years of capacity for the disposal of Solid Waste generated within the County ("County Wastes").
Landfill Capacity Determination. Commencing on the Siting Approval Date, upon request by the county, Winnebago Landfill Company shall provide the County with a determination of the remaining capacity at the Facility.

Records. Following the Siting Approval Date, Winnebago Landfill Company shall provide the County on request, without charge, copies of the following documents relating to the Facility and the Expansion:

a. Those submitted by Winnebago Landfill Company or its agents or consultants to any State or federal environmental agency; and

Written correspondence with any State or federal environmental regulatory agency other than routine correspondence and correspondence requesting authority to dispose of particular nonhazardous Special Waste streams; and

Those filed with or received from any State or federal regulatory agency relevant to charges, complaints or citations of environmental violations made by any governmental authority; and

Records maintained by Winnebago Landfill Company which reflect the amount of Waste received for disposal at the Expanded Facility.

Well Monitoring. (a) Within ninety (90) days after issuance of the first IEPA permit to construct a MSWLF unit within the Expansion and prior to the commencement of construction, Winnebago Landfill Company shall mail to the owners of all water supply wells within one thousand (1,000) feet of the waste boundary of the new MSWLF unit, by certified mail, return receipt requested, a written request seeking permission from the owners to sample their wells for background and for routine monitoring.

(b) Winnebago Landfill Company and the County shall use their collective best efforts to obtain permission to monitor the wells within the radius described above. Winnebago Landfill Company shall monitor the wells of those consenting owners on an annual basis for the Term of this Agreement, at Winnebago Landfill Company's expense, for the purposes of determining the quality of the water for human consumption, and shall provide the results of each sampling to the County Health Department and to the owner of the property. Testing shall be performed for those parameters or contaminants for which testing is performed by a municipal water system and shall include any additional, reasonably necessary testing requested by the County Health Department. If any test results demonstrate that the groundwater from the well has been contaminated and the landfill is identified as the source, Winnebago Landfill Company shall monitor the well on a quarterly basis until there have been four consecutive quarters in which no contamination is detected in the well or until it has been determined in the manner provided below that the source of the contamination is not the Facility.

12. Contamination. If any water supply well required to be monitored under the preceding paragraph is contaminated and the source of contamination is the Facility or the Expansion (as determined by a laboratory analysis of samples submitted to a USEPA certified laboratory and the certification of an independent hydrogeologist, each selected by Winnebago Landfill Company at its expense), Winnebago Landfill Company shall provide an alternate potable water supply to
that owner, such as bottled water and may include a new well to replace the
contaminated well. The alternate potable water supply shall be provided within twenty-
four (24) hours after Winnebago Landfill Company receives the results of the
laboratory analysis and the hydrogeologist's certification. For purposes of this
Agreement, the terms "contaminated" and "potable" shall have the meanings
ascribed to them in the Act and as set forth in the more stringent of the United
States Environmental Protection Agency ("USEPA") or IEPA Drinking Water
Regulations. The selection of an independent hydrogeologist shall be subject to the
reasonable approval of the County. If the County does not approve the selection of
a hydrogeologist, Winnebago Landfill Company shall select the hydrogeologist
from a list prepared by the County of at least three (3) independent hydrogeologists
experienced in the analysis of landfill groundwater impacts.

13. Property Value Protection Plan. Effective as of the Siting Approval Date,
Winnebago Landfill Company agrees to comply with the "Property Value Protection
Plan" agreed to between the parties. Applicant shall provide a proposed Property Value
Protection Plan prior to filing an application for local siting approval, and the parties
hereto shall negotiate in good faith to agree on a Plan.

14. Insurance. In addition to the financial assurance requirements of the
State of Illinois, Winnebago Landfill Company shall also maintain an environmental
impairment liability policy of insurance in an amount not less than One Million Dollars
($1,000,000) for each loss and One Million Dollars ($1,000,000) for all losses
resulting from the operation of the Facility or the Expansion. Winnebago Landfill
Company shall name the County as an additional insured under each such policy and
shall annually provide the County Health Department with a certificate of
insurance confirming that the insurance required by this section is in effect.

15. Indemnification. The Companies agrees to indemnify and hold
harmless the County, its agents, servants, employees and each of them against, and hold
it and them harmless from and against, any and all lawsuits, claims, demands, liabilities,
losses and expenses (including court costs, litigation expenses and attorney's fees) for or
on account of any injury to any person or any death at any time resulting from such
injury, or any damage to property, which may arise or which may be alleged to have
arisen out of or in connection with the operation, construction and development of the
Facility or the Expansion, as well as in connection with the rendering of all other
services covered by this Agreement. The foregoing indemnity shall not apply if such
injury, death or damage is caused directly by the primary negligence of the County,
its agents, servants or employees or any other person indemnified under this
Agreement.

16. Host County Fee. (a) Winnebago Landfill Company shall pay the County a
Host County Fee determined in the manner set forth below. The Host County Fee may
be used by the County for such benefits, services and facilities as are customarily and
legally permitted to be funded from the County's general fund.

The measurement of all weights relevant to any portion of the Host County Fee
shall be determined by certified scale, which shall be inspected annually.

17. Host Fee. (a) Commencing on the first day that waste is deposited in the
expanded area to the east of the existing landfill, as described in exhibit D attached
hereto, the Host Fee shall be determined by reference to average monthly volumes of
waste disposed per customer and shall be as follows:
<table>

(b) In consideration of the Host Fee, Winnebago Landfill Company shall be entitled to a credit against any tax imposed by the County under Section 22.15 of the Act (or any successor or replacement tax) in an amount equal to the Base Host Fee paid by Winnebago Landfill Company; provided, however, that the credit shall not exceed the amount of the tax or any successor or replacement tax.

(c) The schedule in subsection (a) notwithstanding, the Host Fee shall be $2.27 per ton with respect to: (i) all Waste subject to the Host Fee which generated through the Glenview, Illinois, Transfer Station owned by the Solid Waste Agency of Northern Cook County (“SWANCC”) under the contract between SWANCC and Groot Industries initially dated November 22, 1995, and any amendments to or replacements of that contract; and (ii) all Waste generated through transfer stations owned and/or operated by Groot Industries and disposed of at the Landfill Facility pursuant to an agreement dated effective as of August 1, 2009, between Winnebago Landfill Company and Groot Industries, and any amendments to or replacements of that contract.

(d) County will credit for waste generated by Rock River Environmental Services and affiliates, $0.27 cents per ton to be used for the advancement of recycling, renewable energy, waste diversion, and environmental programs. The credit will be applicable to Rock River Environmental Services and affiliates for any covered activity occurring after the date of execution of this Host County Agreement, even though the activity occurred prior to the opening of the Eastern Expansion Unit covered by this Agreement.

(e) If Winnebago Landfill Company or Winnebago Reclamation Services commences any alternative method of disposal of waste at the facility or at an adjacent facility on the environmental campus that results in a diversion or reduction
of the amount of waste going to the landfill, the host fee shall apply to that waste diverted or reduced, with the exception that materials diverted or reduced from recycling activity will be exempt from the fee.

18 Adjustments. (a) The Host Fee shall be adjusted at 5 year intervals after waste is initially accepted into the eastern expansion. The increase will be equal to the previous five year average annual percentage increase in the United States Department of Labor, Bureau of Labor Statistics, Revised Consumer Price Index for all Urban Consumers (the "Index"). The Host Fee shall be determined by multiplying each of the fees set forth in the Fee Schedule by 1.0 plus the previous five year average annual percentage increase in the Index. The adjusted fee shall apply for the following 5 year period. For example, if filling in the East Expansion begins in 2020, a review of the five-year Index will occur in 2025 as follows:

<table>
<thead>
<tr>
<th>Year</th>
<th>Annual CPI Increase</th>
</tr>
</thead>
<tbody>
<tr>
<td>2020</td>
<td>2.5%</td>
</tr>
<tr>
<td>2021</td>

</tr>
<tr>
<td>2022</td>
<td>2.9%</td>
</tr>
<tr>
<td>2023</td>
<td>3.2%</td>
</tr>
<tr>
<td>2024</td>
<td>4.9%</td>
</tr>
<tr>
<td>5 Year Average</td>
<td>3.2%</td>
</tr>
</tbody>
</table>

In the previous example, a 3.2% increase will be added to the original host fee for each type of waste in 2025 and will remain constant for the years 2026, 2027, 2028, 2029. The 5 year review and adjustment will be repeated at 5 year intervals for the life of the host agreement.

(b) Payment. All Host Fees shall be payable quarterly on or before the 30th day of the month following the end of each calendar quarter based on the tonnage of Waste subject to the Host County Fees received in the immediately preceding quarter.

(c) Winnebago Landfill Company agrees to keep during the Term of this agreement strict and accurate books and records of all Waste disposed of at the Facility and the Expansion, including separate records of Transfer Waste which are adequate to allow for independent audit, for the preceding five years, and the County shall have the right to examine the books and records of Winnebago Landfill Company at reasonable times for the purpose of verifying the amount of Host County Fees payable under this agreement.

Other Services. To assist the County in developing, updating and meeting the recycling and education objectives of the County Plan, the Companies will cooperate with the County to establish education, waste collection, yard waste collection, recycling and other waste management programs within the unincorporated areas of the County. Subject to applicable law, the County will grant the Companies a reasonable first and prior opportunity to negotiate contracts, having mutually acceptable terms, under which Winnebago Landfill Company or its subcontractors will provide any such services which the County determines to make available to its residents.
20. **Compliance with Applicable Laws, Rules and Regulations.** The Companies will, at all times, conduct their operations at the Facility and the Expansion in material compliance with all applicable laws, rules and regulations of the State of Illinois and United States of America. The acceptance of the Host County Fee under this Agreement shall not be construed as a waiver by the County of material compliance by the Companies with all such laws, rules and regulations, nor otherwise restrain or prohibit the County from taking such legal action as may be necessary to protect the health, safety and general welfare of the residents of the County.

21. **County Obligations.** (a) The County agrees to suitably maintain all highways within its maintenance jurisdiction which are utilized by the Companies in their operations. In addition, the County shall assist the Companies in protecting the health, safety and welfare of its citizens by offering technical advice to the Companies, where appropriate, and will assist the Companies in a reasonable manner consistent with the County Plan in establishing or promoting programs which are intended to reduce the volume of Solid Waste generated in the County.

(b) Notwithstanding any other provision of this agreement to the contrary, neither this agreement nor any provision of this agreement shall be construed as a commitment by the County to approve an application for site location approval for the Expansion or for any other pollution control facility. The parties acknowledge that any such application shall be considered by the County strictly on the merits, based on the evidence, in accordance with the provisions of Section 39.2 of the Act.

22. **County Solid Waste Management Plan.** The County shall include Facility and the proposed or approved Expansion in all updates or amendments to the County Plan.

23. **Enforcement.** The parties agree that the County shall have the right to enforce this Agreement by an action in the Winnebago County Circuit Court; provided, however, that prior to commencing any action, the County shall give Winnebago Landfill Company ten (10) days written notice in the case of the nonpayment of fees and thirty (30) days written notice in other cases of any non-compliance. Within five (5) days after any notice of non-compliance, Winnebago Landfill Company shall inform the County in writing of all defenses which it has to the alleged violation, and Winnebago Landfill Company shall not assert any defense not described. Winnebago Landfill Company shall have the right to correct any violation within the applicable period, or within such time as the parties may agree in writing. If such a violation is not corrected, the County may seek any and all appropriate relief without limitation and, if successful, shall be entitled to reasonable attorney’s fees and costs and reimbursement for all expenses of litigation.

24. **Assignment of Rights.** This Agreement shall be binding upon the parties and their respective successors and assigns. An assignment of this Agreement shall not relieve Winnebago Landfill Company of its contractual obligations pursuant to this Agreement without the express written approval of the County, which the County shall not unreasonably withhold.

25. **Covenant.** This Agreement shall constitute a covenant in the nature of a covenant running with the land. Winnebago Landfill Company agrees to execute all additional documents necessary for the recording of this Agreement in the Winnebago County Recorder’s Office.
26. Amendment to Agreement. This Agreement may not be amended except by a written agreement signed by both parties.

27. Site Location Decision. The County has not, by entering into this Agreement with the Companies, predetermined whether it will grant or deny site location approval for the Expansion or whether the Companies can (or cannot) establish any of the criteria related to site location approval. However, the Companies shall initiate and use their continuing best efforts to obtain siting approval for the Expansion pursuant to applicable state statute, the applicable County ordinances and any other applicable law, statute, regulation, rule, policy or ordinance. All such siting efforts must be undertaken and completed at the sole expense of the Companies. In addition, a Pollution Control Facility siting application must be submitted by Company to the County within twelve (12) months after the effective date of this Agreement, unless the County consents in writing to an extension of this period for good cause shown. The County shall review Company's application for site location approval for the Expansion in accordance with the criteria set forth by Illinois law as provided for in 415 ILCS 5/39.2.

28. Force Majeure. Except for Winnebago Landfill Company's obligations to pay fees to the County under this Host Agreement, until the time of failure to perform for the reasons stated in this section, no party shall be liable for its failure to perform under this Host Agreement due to contingencies beyond its reasonable control, including, without limitation, strikes, riots, war, fire, acts of God, compliance with any law, regulation or order, whether valid or invalid, of the United States of America or any other governmental body or any instrumentality thereof, whether now existing or hereafter created, or the revocation, suspension, denial or modification of any permit, license or approval regarding the siting, construction, operation, or maintenance of the Expanded Facility.

29. Waiver. Unless specifically provided by the terms of this Host Agreement, no delay or failure to exercise a right resulting from any breach of this Host Agreement shall impair such right or shall be construed to be a waiver thereof, but such right may be exercised from time to time and as often as may be deemed expedient. Any waiver shall be in writing and signed by the party granting such waiver. If any representation, warranty or covenant contained in this Village Agreement is breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive, either expressly or impliedly, and other breach under this Host Agreement.

30. Severability. Should any provision of this Host Agreement be determined to be in conflict with any law, statute or regulation by a court of competent jurisdiction or other duly constituted authority, said provision shall be excluded and deemed inoperative, unenforceable, and though not provided for herein, and to the extent possible, all other obligations shall remain unaffected, unimpaired, valid and in full force and effect in order to carry out the intentions of the parties. If this Host Agreement is declared invalid by a court of competent jurisdiction, the parties will enter into good-faith negotiations to develop a revised agreement to carry out the intentions of the parties in entering into this Host Agreement.

31. Entire Agreement. This Agreement sets forth all agreements, understandings and covenants between the parties, and it supersedes all prior agreements, negotiations and understandings, written and oral, and is a full integration of the entire agreement of the parties.

FRANK HANEY  
CHAIRMAN OF THE COUNTY BOARD  
of the County of Winnebago, Illinois

MARGIE M. MULLINS  
CLERK OF THE COUNTY BOARD  
of the County of Winnebago, Illinois
AGREEMENT FOR THE PROVISION OF INMATE MENTAL HEALTH SERVICES
WINNEBAGO COUNTY, ILLINOIS

This Agreement for the Provision of Inmate Mental Health Services (hereinafter referred to as the “AGREEMENT”), effective as of the date of the last signature hereto, entered into by and between the Winnebago County Sheriff in his official capacity (hereinafter referred to as the “SHERIFF”) and the County of Winnebago, located in the State of Illinois (hereinafter referred to collectively with the SHERIFF as the “COUNTY”), and Advanced Correctional Healthcare, Inc. (hereinafter referred to as “ACH”), an Illinois corporation.

RECITALS

WHEREAS, the COUNTY desires to contract for the provision of mental health services to the inmates of the Winnebago County Jail (hereinafter referred to as the “FACILITY”); and

WHEREAS, ACH is a corporation which provides mental health services in incarceration facilities.

NOW THEREFORE, the parties enter into this AGREEMENT as hereinafter set forth.

DEFINITIONS

ARTICLE 1: ACH

1.1 OTHER SERVICES AND EXPENSES. ACH may not provide and will not pay for any services, supplies and/or equipment which are not specifically contained in this AGREEMENT.

1.2 PRISON RAPE ELIMINATION ACT OF 2003 (PREA). Should the SHERIFF choose to comply with PREA, ACH will endeavor to comply with PREA, applicable PREA standards, and the FACILITY’s policies related to PREA for preventing, detecting, monitoring, investigating, and eradicating any form of sexual abuse within the FACILITY. ACH acknowledges that, in addition to self-monitoring, the FACILITY may conduct announced or unannounced monitoring to include on-site monitoring.

1.3 STAFFING. ACH will provide staffing coverage as requested by the SHERIFF and detailed in this staffing section.

1.3.1 MEAL BREAKS. It is understood and agreed that during unpaid meal break(s), ACH employees are (1) allowed to leave their duty post and (2) completely relieved from all duties. If the FACILITY requires the ACH employee to be “on call” during meal break(s) so that they may respond to an emergency, then the ACH employee is considered to be “on duty” and the meal break(s) will be paid for by the COUNTY.

1.3.2 QUALIFIED MENTAL HEALTH PROFESSIONAL (QMHP). ACH will provide an on-site Qualified Mental Health Professional to provide mental health services to FACILITY’s inmates for forty (40) hours per week on a schedule approved by the SHERIFF. When approved by the SHERIFF or designee, hours worked immediately after scheduled shifts in excess of the contracted amount will be billed monthly to the COUNTY at the prevailing...
wage and benefit rate of the ACH employee. When approved by the SHERIFF or designee, hours worked on-site at times other than scheduled shifts and immediately thereafter will be billed monthly to the COUNTY at a rate of sixty-four dollars per hour ($64.00/hour) (minimum one hour charge). For all absences, ACH endeavors to provide replacement coverage, and if it is unable to do so, ACH’s Director of Mental Health Services and the SHERIFF or designee will negotiate a mutually agreeable remedy.

**ARTICLE 2: THE COUNTY**

2.1 DECLINING APPLICANTS FROM ACH SO THE COUNTY MAY EMPLOY THEM DIRECTLY. ACH makes a significant investment in the recruiting of new applicants and acknowledges the SHERIFF has final approval of who may enter the FACILITY. As a result, ACH does not expect the COUNTY to deny approval of an applicant presented to them in order for the COUNTY to employ that person directly. If, during the term of this AGREEMENT or within one (1) year after this AGREEMENT’s termination, the COUNTY should hire an applicant who was presented to them by ACH and denied approval by the SHERIFF, the COUNTY agrees to pay ACH thirty percent (30%) of the applicant’s first year’s salary/compensation as a recruiting fee for each applicant.

2.2 DUTY TO PROTECT INMATES. The non-delegable duty to protect inmates is, and always will be, vested in the SHERIFF. This AGREEMENT does not result in the assumption of a non-delegable duty by ACH. As such, the SHERIFF specifically retains the duty and obligation for security of the inmates. This duty extends to the control of inmate movement. ACH and its personnel will assume no responsibility for the movement of inmates and assume no responsibility for inmate protection at any time.

2.3 ELECTRONIC COMMUNICATIONS. The COUNTY agrees to provide to ACH copies of any electronic communications between ACH and ACH’s employees in the COUNTY’s possession (including stored on the COUNTY’s email servers) as requested by ACH. The COUNTY agrees to treat electronic communications between ACH and its employees as confidential and agrees not to share those communications with any third party unless required by law.

2.4 EMPLOYEE RAIDING (ANTI-POACHING AGREEMENT). ACH makes a significant investment in the training and professional development of our employees and independent contractors. As a result, ACH does not expect the COUNTY to offer employment to or otherwise “poach” ACH employees or independent contractors. If the COUNTY should hire any ACH employee or independent contractor during this AGREEMENT’s term or within one (1) year after this AGREEMENT’s termination, the COUNTY agrees to pay ACH a professional replacement fee of Ten Thousand Dollars ($10,000) for each employee or independent contractor, with the following exception: this does not apply to any person who was employed by the COUNTY or working at the FACILITY for Rosecrance Health Network prior to this AGREEMENT.

2.5 FACILITY STAFF TRAINING. The duty to train the FACILITY corrections staff is vested in the SHERIFF. Upon request of the SHERIFF, ACH may assist in training for FACILITY corrections staff on certain topics as determined by the SHERIFF.

2.6 MENTAL HEALTH RECORDS. Inmate medical records will always be the property of the SHERIFF and will remain in the FACILITY.
2.7 OFFICE EQUIPMENT (DURABLE). The SHERIFF will provide use of COUNTY-owned office equipment and utilities in place at the FACILITY’s healthcare unit. Typical office equipment expected in a medical unit would be a locking file (recommended four-drawer); paper punch; staple remover; stapler; cabinet for storing medical supplies such as Band-Aids, gauze, etc.; computer; fax machine; copier / printer; and toner. Upon termination of this AGREEMENT, the office equipment will be in good working order, with allowances made for reasonable wear and tear.

2.8 OFFICE SUPPLIES (DISPOSABLE). The COUNTY will provide disposable office supplies, such as medical charts, paper, pens, staples, and Post-It notes which are required for the provision of inmate healthcare services.

2.9 PHARMACEUTICALS. The COUNTY will pay for and provide for the provision of all pharmaceuticals.

2.10 SECURITY. The SHERIFF will maintain responsibility for the physical security of the FACILITY and the continuing security of the inmates. The SHERIFF understands that adequate security services are necessary for the safety of the agents, employees, and subcontractors of ACH, as well as for the security of inmates and FACILITY staff, consistent with the correctional setting. The SHERIFF will provide security sufficient to enable ACH and its personnel to safely provide the healthcare services described in this AGREEMENT. The SHERIFF will screen ACH’s proposed staff to ensure that they will not constitute a security risk. The SHERIFF will have final approval of ACH’s employees in regards to security/background clearance.

2.11 SHERIFF’S POLICIES, PROCEDURES, AND PROTOCOLS. All policies, procedures, and protocols will at all times remain the property of the SHERIFF and will remain at the FACILITY. ACH may make recommendations to the SHERIFF’s existing mental health policies, procedures and protocols. Those recommendations are made for the SHERIFF’s consideration.

2.12 STAFFING. Medical services at the FACILITY will be provided by the COUNTY through an independent contractor and ACH has no responsibility under this AGREEMENT to provide medical services at the FACILITY. The parties further agree that the medical staff provided by the independent contractor will work cooperatively with ACH employees and subcontractors to effectively carry out the terms and conditions of this AGREEMENT. ACH will not be responsible for the training of the independent contractor’s medical staff or for training FACILITY corrections staff on medical topics.

ARTICLE 3: COMPENSATION/ADJUSTMENTS

3.1 FUNDING THE FACILITY’S HEALTHCARE PROGRAM. It is ultimately the responsibility of the COUNTY to appropriately fund the FACILITY’s mental healthcare program. As a result, ACH’s mental healthcare program at the FACILITY (staffing, etc.) is customized and approved by the COUNTY with and after ACH’s input.

3.2 ANNUAL AMOUNT/MONTHLY PAYMENTS. The annualized amount to be paid by the COUNTY to ACH under this AGREEMENT is to be one hundred eighteen thousand four hundred thirty-five dollars and fifty-two cents ($118,435.52). The COUNTY will make monthly payments of nine thousand eight hundred sixty-nine dollars and sixty-three cents ($9,869.63), which is equal to 1/12 of the annualized amount, during the term of this AGREEMENT. ACH will bill the COUNTY approximately thirty (30) days prior to the month in which services are to be rendered.
The COUNTY agrees to pay ACH in accordance with the Illinois Local Government Prompt Payment Act (50 ILCS 505).

ARTICLE 4: TERM AND TERMINATION

4.1 TERM. The term of this AGREEMENT will begin on ________________ at 12:01 A.M. and will continue in full force and effect until ________________ at 11:59 P.M., unless earlier terminated, extended, or renewed pursuant to this AGREEMENT.

4.2 TERMINATION.

4.2.1 90-DAY OUT CLAUSE. Notwithstanding anything to the contrary contained in this AGREEMENT, the COUNTY, the SHERIFF, or ACH may, without prejudice to any other rights they may have, terminate this AGREEMENT by giving ninety (90) days’ advance written notice to the other party. If ninety (90) days’ advance written notice is provided, termination will be without penalty to any of the parties. If the SHERIFF or the COUNTY gives ACH less than ninety (90) days’ advance written notice, the COUNTY agrees to pay to ACH a penalty equal to one (1) month’s contract price as an early termination fee.

ARTICLE 5: GENERAL TERMS AND CONDITIONS

5.1 ADVICE OF COUNSEL. Each of the parties (a) has had the opportunity to seek counsel, legal or otherwise, prior to entering into this AGREEMENT, (b) is freely entering into this AGREEMENT of his/her or its own volition, and (c) understands and agrees that this AGREEMENT will be construed as if drafted by both parties and not by one party solely.

5.2 ARBITRATION; GOVERNING LAW. The parties hereby agree that any dispute arising under this AGREEMENT, or in connection with any breach thereof, will be finally resolved through binding arbitration conducted in Winnebago, Illinois, in accordance with the Commercial Arbitration Rules of the American Arbitration Association by a single, neutral arbitrator appointed in accordance with such Rules. No punitive damages may be granted by the arbitrator. The parties agree that the arbitrator’s decision will be the sole, exclusive and binding remedy between them regarding any and all such disputes. This AGREEMENT, and any arbitration conducted thereby, will be governed by the laws of the State of Illinois (without reference to conflicts of laws principles).

5.3 ASSIGNMENT. ACH may not assign this AGREEMENT or any rights hereunder in whole or in part. Any assignment in violation of this section will be null and void.

5.4 ATTORNEY FEES AND COSTS. In the event a lawsuit, arbitration, or mediation is initiated by either party, the party against whom a judgment or award is entered will also be liable for costs of suit and reasonable attorneys’ fees as set by the court or arbitrator.

5.5 AUTHORITY. The persons signing below represent that they have the right and authority to execute this AGREEMENT for their respective entities and no further approvals are necessary to create a binding AGREEMENT.
AUTOMATED DEFIBRILLATORS (AEDs). ACH has no responsibility to purchase or provide AEDs for the FACILITY. ACH has no role in the maintenance and/or inspection of those units. ACH will not be liable for defective and/or non-working AEDs in the FACILITY.

COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS. The SHERIFF, the COUNTY, and ACH agree that no party will require performance of any ACH or COUNTY employee, agent or independent contractor that would violate federal, state and/or local laws, ordinances, rules and/or regulations. ACH will not be responsible for any additional services required at the FACILITY as the result of governmental (including, but not limited to, the Department of Justice, Immigration and Customs Enforcement, Department of Corrections, Federal Bureau of Prisons, or United States Marshals Service) investigation, mandate, memorandum, or order unless this AGREEMENT is amendment by the parties to provide for such additional services. Should new legislation require substantial new mental health treatment for the FACILITY’s inmates, ACH will not be obligated to pay for it. ACH and the COUNTY agree to negotiate in good faith to amend this AGREEMENT in the event of such new legislation.

COUNTERPARTS; HEADINGS. This AGREEMENT may be executed in counterparts, each of which will be an original and all of which will constitute one AGREEMENT. The headings contained in this AGREEMENT are for reference purposes only and will not affect in any way the meaning or interpretation of this AGREEMENT. The terms “inmate” and “detainee” may be used interchangeably throughout this AGREEMENT and will not affect in any way the meaning or interpretation of this AGREEMENT.

ENTIRE AGREEMENT; AMENDMENT. This AGREEMENT (along with the business associate agreement) represents the entire understanding of the parties with respect to the subject matter hereof, supersedes and cancels all prior agreements, understandings, arrangements, or representations between the parties with respect to such subject matter, and may only be amended by written agreement of both parties. The parties agree that their performances hereunder do not obligate either party to enter into any further agreement or business arrangement.

EQUAL EMPLOYMENT OPPORTUNITY. It is the policy of ACH to provide equal employment opportunities to all employees and applicants for employment without regard to race, color, religion, sex, national origin, disability, age, or genetics. In addition, it is the policy of ACH to comply with applicable state and local laws governing nondiscrimination in employment. This policy applies to all terms and conditions of employment including, but not limited to, recruitment, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, benefit plans, all forms of compensation, and training.

EXCUSED PERFORMANCE. In case performance of any terms of parts hereof will be delayed or prevented because of compliance with any law, decree, or order of any governmental agency or authority of local, state, or federal governments or because of riots, public disturbances, strikes, lockouts, differences with workers, fires, floods, Acts of God, or any other reason whatsoever which is not within the control of the parties whose performance is interfered with and which, by the exercise of reasonable diligence, said party is unable to prevent, the party so suffering may at its option, suspend, without liability, the performance of its obligations hereunder during the period such cause continues.

ACH does not consent to the filming of its employees for any commercial purpose including, but not limited to, documentaries, docuseries (including, but not limited to, “60 Days In”), etcetera. If the SHERIFF, FACILITY and/or COUNTY decide to engage in such a project, they agree to notify ACH’s legal department at least 90 days prior to filming, at 309-692-8100;
ACH reserves the right to terminate the AGREEMENT prior to the beginning of the filming of such a project. ACH will have no obligation under this AGREEMENT to maintain insurance coverage against any loss or damage caused or necessitated by the filming of such a project. The COUNTY agrees to hold harmless and indemnify ACH and its employees against any loss or damage, including reasonable attorneys’ fees and other costs of litigation, caused or necessitated by the filming of such a project.

5.13 HOLD HARMLESS AND INDEMNIFY.

5.13.1 ACH will hold harmless and indemnify the COUNTY and SHERIFF (together with their respective employees) against any loss or damage, including reasonable attorneys’ fees and other costs of litigation, solely caused or necessitated by the negligent, reckless, intentional, or deliberately indifferent conduct of ACH or its employees, which is related to medical treatment or care provided by ACH. With respect to any claim for indemnification, the COUNTY will (i) give written notice thereof to ACH within a reasonable period following the event or occurrence as to which the right to indemnification is or may be asserted and (ii) allow ACH (including the employees, agents, and counsel) reasonable access to any of its employees, property, and records for the purposes of conducting an investigation of such claim and for the purpose of obtaining statements, photographs, and taking such other steps as may be reasonable to preserve evidence of the occurrence on which the claim is based. If the COUNTY denies ACH reasonable access as set forth, after written request therefore, the COUNTY will assume sole responsibility for the claim for which indemnification is sought and will not be entitled to indemnity.

5.13.2 The COUNTY will hold harmless and indemnify ACH (together with its respective employees) against any loss or damage, including reasonable attorneys’ fees and other costs of litigation, solely caused or necessitated by the negligent, reckless, intentional, or deliberately indifferent conduct of the COUNTY or its employees, which is related to medical treatment or care provided by ACH. With respect to any claim for indemnification, ACH will (i) give written notice thereof to the COUNTY within a reasonable period following the event or occurrence as to which the right to indemnification is or may be asserted and (ii) allow the COUNTY (including the employees, agents, and counsel) reasonable access to any of its employees, property, and records for the purposes of conducting an investigation of such claim and for the purpose of obtaining statements, photographs, and taking such other steps as may be reasonable to preserve evidence of the occurrence on which the claim is based. If ACH denies the COUNTY reasonable access as set forth, after written request therefore, ACH will assume sole responsibility for the claim for which indemnification is sought and will not be entitled to indemnity.

5.13.3 Nothing in this AGREEMENT shall be construed to prohibit the COUNTY or SHERIFF from bringing a third-party joint tortfeasor action for contribution against ACH in the event a lawsuit is brought only against COUNTY or SHERIFF for a claim with respect to which COUNTY or SHERIFF contend ACH is solely or partially at fault. Likewise, nothing in this AGREEMENT shall be construed to prohibit ACH from bringing a third-party joint tortfeasor action for contribution against COUNTY or SHERIFF in the event a lawsuit is brought only against ACH for a claim with respect to which ACH contends COUNTY or SHERIFF are solely or partially at fault. Notwithstanding the foregoing, in the event a lawsuit is brought arising out of the mental health services contemplated by this AGREEMENT against any of the parties to this AGREEMENT, the parties agree to mutually cooperate with each other in the defense of any such lawsuit to the greatest extent as is reasonably and ethically possible.
5.14 INDEPENDENT CONTRACTORS. ACH may engage certain healthcare professionals as independent contractors rather than employees. ACH will obtain the SHERIFF’s prior written approval before entering into an agreement with any independent contractor.

5.15 INSURANCE.

5.15.1 ACH will maintain professional liability insurance, including civil rights liability, with minimum limits of One Million Dollars ($1,000,000) each occurrence, Three Million Dollars ($3,000,000) annual aggregate.

5.15.2 ACH will maintain workers’ compensation and employer’s liability insurance covering its employees while on the FACILITY’s premises that complies with the statutory minimum requirements in the applicable state(s).

5.15.3 ADDITIONAL INSUREDS. ACH will name the SHERIFF and the COUNTY as an additional insured for the sole negligence of ACH under the professional liability portion of insurance.

5.16 NO GRANT OF RIGHTS. Each of the parties understands and agrees that no grant or license of a party’s rights in any patent, trademark, trade secret, copyright and/or other intellectual property right is made hereby, expressly or by implication.

5.17 NO RELATIONSHIP OR AUTHORITY. The parties agree that ACH will at all times be an independent contractor in the performance of the services hereunder, and that nothing in this AGREEMENT will be construed as or have the effect of constituting any relationship of employer/employee, partnership, or joint venture between the COUNTY and ACH. ACH does not have the power or authority to bind the COUNTY or to assume or create any obligation or responsibility on the COUNTY’s behalf or in the COUNTY’s name, except as otherwise explicitly detailed in this AGREEMENT, and ACH will not represent to any person or entity that ACH has such power or authority. ACH will not act as an agent nor will ACH be deemed to be an employee of the COUNTY for the purposes of any employee benefit program.

5.18 NOTICE. Any notice required or permitted to be given hereunder will be in writing and delivered to the respective addresses in this section or such other addresses as may be designated in writing by the applicable party from time to time, and will be deemed to have been given when sent. To the SHERIFF and/or the COUNTY: Winnebago County Sheriff’s Department, 650 W. State St., Rockford, IL 61102; facsimile: 815.961.3687; email: owenst@wcso-il.us. To ACH: Advanced Correctional Healthcare, Inc., Attn: Contracts Manager, 3922 West Baring Trace, Peoria, IL 61615; facsimile: 309.214.9977; email: jason.kolberg@advancedch.com.

5.19 OTHER CONTRACTS AND THIRD PARTY BENEFICIARIES. The parties acknowledge that ACH is not bound by any other existing contracts to which either the SHERIFF or the COUNTY are a party and which relate to the provision of healthcare to inmates at the FACILITY. The parties agree that they have not entered into this AGREEMENT for the benefit of any third person(s) and it is their express intention that this AGREEMENT is intended to be for their respective benefits only and not for the benefits of others who might otherwise be deemed to constitute third party beneficiaries thereof.

5.20 SEVERABILITY. If any provision of this AGREEMENT, or any portion thereof, is found to be invalid, unlawful, or unenforceable to any extent, such provision will be enforced to the maximum extent permissible so as to effect the intent of the parties, and the remainder of this AGREEMENT
will continue unaffected in full force and effect. The parties will negotiate in good faith an enforceable substitute provision for such invalid provision that most nearly achieves the same intent and economic effect.

5.21 **WAIVER.** Any waiver of the provisions of this AGREEMENT or of a party’s rights or remedies under this AGREEMENT must be in writing to be effective. Failure, neglect, or delay by a party to enforce the provisions hereof or its rights or remedies at any time, will not be construed as a waiver of such party’s rights or remedies hereunder and will not in any way affect the validity of this AGREEMENT or prejudice such party’s right to take subsequent action.

WHEREAS, Chapter 14 of the Winnebago County Code is entitled “Animal Control Ordinance of Winnebago County”; and  

WHEREAS, the Animal Control Ordinance of Winnebago County sets forth obligations of owners of domestic animals including cats; and
