Date 10-Jan-19
FINANCE COMMITTEE
TO: THE HONORABLE MEMBERS OF THE COUNTY OF WINNEBAGO, ILLINOIS

The Winnebago County Finance Committee presents the following Ordinance amending the Annual Appropriation Ordinance for the fiscal year ending September 30, 2019 and recommends its adoption.

ORDINANCE

WHEREAS, the Winnebago County Board adopted the “Annual Budget and Appropriation Ordinance” for the fiscal year ending September 30, 2019 at its September 27, 2018 meeting; and,

WHEREAS, 55ILCS 5/6-1003(2014), states, “After the adoption of the county budget, no further appropriations shall be made at any other time during such fiscal year, except as provided in this Act. Appropriations in excess of those authorized by the budget in order to meet an immediate emergency may be made at any meeting of the board by a two-thirds vote of all the members constituting such board, the vote to be taken by ayes and nays and entered on the record of the meeting.”

NOW, THEREFORE, BE IT ORDAINED, that the County Board deems that pursuant to the provisions as set forth in 55ILCS 5/6-1003(2014), certain conditions have occurred in connection with the operations of the County which are deemed to be immediate emergencies; therefore the following increases are hereby authorized.

2019-013 Sheriff Attorney Fees
Reason: Budget Amendment is necessary to pay the first invoice submitted by the County Sheriff’s outside legal counsel. The fiscal year 2019 adopted budget did not include budget for outside legal representation for the County’s elected officials.
Alternative: None
Impact to fiscal year 2020 budget: Cannot be determined at this time.

In Re: The Petition for Recusal of the

No.: 2017 MR 0000885
Honorable Lisa Fabiano
Courtroom 412

PETITION FOR PAYMENT OF ATTORNEY'S FEES FOR
SPECIAL STATE'S ATTORNEY TERRY A. EKL PURSUANT
TO 55 ILCS 5/3-9008(c)

NOW COMES the Petitioner, Terry A. Ekl, of Ekl, Williams & Provenzale
LLC, and hereby moves this Court, pursuant to 55 ILCS 5/3-9008(c), order the
County of Winnebago to pay his attorney's fees incurred in connection with his
appointment to represent the Sheriff of Winnebago County and in support thereof
states as follows:

1. This Court initially appointed Terry A. Ekl, as Special Prosecutor to
represent the Sheriff of Winnebago County on October 17, 2017, for the limited
purpose of advising and representing the Sheriff of Winnebago County in any
potential lawsuit against Winnebago County regarding funding of the Winnebago
County Sheriff's Office for fiscal year 2018. See Order, attached as Exhibit A.

2. The Order was entered after a hearing was conducted on the
Winnebago County State's attorney's petition seeking same, based on that office's
inherent and direct conflict if required to represent and advise two separate and conflicted County Offices or Officers.

3. On August 23, 2018, this Court expanded the scope of appointment to include matters related to the operation and funding of the 911 Center. See Order, attached as Exhibit B.

4. On September 19, 2018, this Court expanded the scope of the appointment to include representation of the Sheriff of Winnebago County in connection with disputes with the Winnebago County Board over the funding of the sheriff’s office in the fiscal 2019 budget. See Order, attached as Exhibit C.

5. Terry A. Ekl has not previously submitted a request for payment for work and his office engaged in over the last year.

6. This Petition for Fees is brought pursuant to 55ILCS 5/3-9008(c) with notice being provided to Winnebago County.

7. Terry A. Ekl has attached as Exhibit D, an Affidavit regarding his experience and qualifications and current curriculum vitae, Exhibit E, in support of an hourly rate of $225 per hour for the work performed by himself and attorneys under his direction.

8. As indicated in the Affidavit, Terry A. Ekl bills at the rate of between $350 and $450 per hour. On multiple occasions federal judges in the Northern District of Illinois have approved payment in civil rights cases of an hourly rate of $400.
9. Terry A. Ekl has attached as Exhibit F, an itemized list of all activities engaged in pursuant to this Court’s appointment orders through October 31, 2018. He has redacted certain activities which reflect attorney work product or matters dealing with privileged attorney/client communications.

10. As a further accommodation to the County of Winnebago and the fiscal difficulties facing the County, Terry A. Ekl will agree to reduce his bill by an additional 20% ($6,947.00).¹

WHEREFORE, the Winnebago County Sheriff respectfully requests that this court issue an order requiring the County of Winnebago to pay Terry A. Ekl the sum of Twenty-Seven Thousand Seven Hundred Ninety-One Dollars ($27,791.00) without undue delay.

Respectfully submitted by:

AFFIDAVIT OF TERRY A. EKL

I, Terry A. Ekl, being first duly sworn under oath and affirmation, do hereby
depose and state as follows on personal knowledge as to the matters stated herein:

1. That I am currently licensed to practice in the State of Illinois (since
1973), the United States District Courts for the Northern District of Illinois (since
1973), the Central District of Illinois (since 2006) and the Eastern District of Wisconsin
(since 2007), and I have been a member of the trial bar of the Northern District of
Illinois since 1983.

2. That I am licensed to practice in the Seventh Circuit Court of Appeals and
have been since 1987.

3. That I am currently a partner in the firm of Ekl, Williams & Provenzale
LLC, holding that interest since 1978. The firm name was Connolly & Ekl and Connolly,
Ekl & Williams until 2006.
4. That from 1973 to 1978, I was an Assistant State’s Attorney in Cook County, Illinois, where I prosecuted all types of felony cases, including in excess of one hundred (100) First Degree Murder cases.

5. That I have handled a variety of complex civil and criminal cases including prosecuting and defending claims in litigation in Federal Court brought under federal statutes, including Civil Rights claims and Title IX; wrongful death and tort claims in State court; and complex criminal cases in both Federal Court and State Court. On one case involving an early Rule 68 Offer of Judgment, the Court approved my reasonable hourly rate for work in 2008 and 2009 on a §1983 Fourth Amendment claim at $400/hour. Suptken v. Garza, 08 CV 4383. Also, on another recent fees issue after an Offer of Judgment, Judge Eugene Kennelly approved my hourly rate for a straightforward excessive force claim at $400 per hour, 12 C 2328.

7. As for other matters, I typically charge hourly billing clients, depending on the client, the complexity of the issues and the demand involved, hourly rates ranging from $350/hour to $450/hour. For example, in 2011, my firm was retained by Google, Inc., as local counsel in a shareholder class action, in which my approved hourly rate is $400/hour. Beginning in 2008, my firm was retained by Navistar International Corporation and since that time I have represented Navistar in both state and federal court at a rate of $375/hour. WHEREAS, Chapter 2 of the County Code of Ordinances, Article II sets forth various criteria for Administration;

WHEREAS, the County wishes to add Sections of Chapter 2, of the County Code of Ordinances.

NOW, THEREFORE, BE IT ORDAINED, by the County Board of the County of Winnebago, Illinois, that Chapter 2, Article II, Division 1, Section 2-37 of the County Code of Ordinances be added as follows:

Accounting and Financial Reporting Policies

The accounting policies of the County of Winnebago, Illinois will conform to generally accepted accounting principles as applicable to governmental units. The accepted standard-setting body for establishing governmental accounting and financial reporting principles is the Governmental Accounting Standards Board (GASB).

It shall be the intent of the County to maintain a self-balancing set of accounts on an on-going basis to be closed quarterly. The general ledger will be closed by the Finance department no later than 45 days after month end. The books shall remain open 90 days after the fiscal year end.

It shall be the intent of the County to maintain a program of internal controls to safeguard all assets and ensure effective and efficient use of all assets. It shall be the responsibility of the Chief Financial Officer to establish a formal set of “best practice” internal controls. In addition, the County Auditor shall ensure that all departments comply with those controls. It shall also be the intent for the independent auditor to review the system of internal controls and report any weaknesses detected to the Board as part of the annual audit.

It shall be the intent of the County to utilize fund accounting principles and generally accepted accounting practices in the recording of all financial transactions. The general ledger shall be maintained on a cash basis, with the intent to move to an accrual basis on a quarterly basis. The Finance Committee will be provided with budget versus actual revenue and expenditure reports on a quarterly basis.

It shall be the intent of the County to prepare annually a Comprehensive Annual Financial
Report (CAFR) to be presented to the Board no later than 180 days after year-end. The CAFR should be audited by an independent CPA firm experienced in governmental auditing. It shall be the further intent of the County to present its CAFR to the Government Finance Officers Association to receive the Certificate of Excellence award in financial reporting. If at any time the County will not receive an unqualified opinion from the CPA firm, the CPA firm and the Chief Financial officer and Finance Director will notify the Board prior to the issuance of the report.

It shall be the intent of the County to maintain a capital asset ledger of all permanent assets acquired. The Finance department will maintain these asset records on an on-going basis to ensure proper controls and report annually regarding these records to the Board. No asset will be considered fixed unless its value or component value exceeds $12,000 dollars or in the case of infrastructure assets purchased or acquired with an original cost of $50,000 or more. Depreciation will be charged on all capital assets. This policy is consistent with the requirements of GASB Statement No. 34. Depreciation will be recorded on a straight-line basis over the normal useful life of the asset.

It shall be the intent of the County to manage all accounts receivable. Accounts receivable are created by operations in certain departments and offices. In general, they arise at the renewal of a permit or license from departments such as Health, River Bluff Nursing Home or Transportation. The department or office that is responsible for the billing is responsible for collections and managing the receivables. Consistent with good financial management, each department and office will age their receivables. Departments and Offices shall continue collection efforts.

It is the intent of the County to comply with the modified accrual basis of accounting, in which revenues are recorded when they are both measurable and available. In general, revenues are considered available if they are collected within 360 days of the fiscal year end. However, in order to avoid wide fluctuations in revenue from year to year as a result of timing of revenue collections from the State of Illinois, in the case of salary reimbursements and grants from the State of Illinois, the full amount of the salary reimbursement or grant receivable may be recorded as revenue in the fiscal period in which the salary expense was incurred without regard to when the revenue is actually collected.
