ATTEST:

Lori Gummow, Clerk of the County Board of the County of Winnebago, Illinois
INTERGOVERNMENTAL AGREEMENT
FOR SOUTH BELOIT
SCHOOL RESOURCE OFFICER PROGRAM

This Intergovernmental Agreement (hereinafter “Agreement”) is made this ______ day of __________, 2019, by and between the Board of Education of South Beloit Community Unit School District No. 320 (hereinafter “the School District” or “District”) and the County of Winnebago, Illinois (hereinafter “the County”) on behalf of the Winnebago County Sheriff’s Office (hereinafter “the Sheriff”). The County, the Sheriff and the School District recognize the benefits of the School Resource Officer Program to the citizens of Winnebago County and particularly to the students of the School District located within the jurisdiction of the County. The goal of this understanding is to provide policing and community-oriented services to the School District.

WITNESSETH:

WHEREAS, Article 7, Section 10 of the Constitution of the State of Illinois 1970, authorizes units of local government to contract among themselves to obtain or share services and to exercise, combine or transfer any power or function in any manner not prohibited by law; and

WHEREAS, the School District is a duly organized and existing school district and body politic of the State of Illinois. WHEREAS, the County is a “unit of local government” as defined in Article 7, Section 1 of the Constitution of the State of Illinois 1970; and

WHEREAS, the Sheriff provides law enforcement services and has full-time police officers/deputies on duty on a 24-hour basis; and

WHEREAS, the School District does not have a police force; and

WHEREAS, the School District wishes to have a School Resource Officer (“SRO”) available at its schools during the school year; and

WHEREAS, the County, Sheriff and the School District agree and understand that the School Resource Officer is an employee of the Winnebago County Sheriff’s Office; and
WHEREAS, both the County and the School District, pursuant to Article 7, Section 10 of the 1970 Constitution of the State of Illinois, desire to enter into this Agreement for the hiring and posting of a School Resource Officer.

NOW, THEREFORE, in consideration of the terms herein set forth and the mutual covenants and obligations of the County and School District hereto; the School District and the County agree as follows:

I. INCORPORATION OF RECITALS:

The foregoing recitals are incorporated into and made a part of this Agreement as if fully set forth herein.

II. PARTIES:

This Agreement is entered into by and between the School District and the County on behalf of the Winnebago County Sheriff’s Office (herein referred to as “Sheriff”). The District and County are hereinafter collectively referred to as “Party” or “Parties.”

III. PURPOSE:

The purpose of the School Resource Officer Program (hereinafter referred to as ("Program") is to provide a safe learning environment; help reduce school violence; improve school-law enforcement collaboration; and improve perception and relations between students, staff and law enforcement officers.

IV. FINANCING THE SCHOOL RESOURCE OFFICER PROGRAM:

The District shall compensate the Sheriff for the School Resource Officer’s (hereinafter referred to as “SRO”) services, as detailed in Appendix A.

Beginning in the 2019-2020 school year and continuing through the 2020-2021 school year, the District shall compensate the Sheriff for the School Resource Officer Program over an annual 10-month period starting in August. The SRO agrees to be available for any necessary District staff training at the beginning of each school year.

It is contemplated that the work hours of the assigned SRO may be modified on days where the SRO's presence is required for evening events, and such evening events may be subject to an overtime rate. All overtime authorized by the District in writing prior to the work shall be paid to the Sheriff by the District at 100% of the overtime hours worked in the Program. The compensation due to the Sheriff from the District shall be adjusted on an ongoing basis to reflect the current salary
costs of the Sheriff pursuant to its policies and applicable agreements, including any collective bargaining agreement affecting such salary costs.

V. EVALUATION AND FUTURE FUNDING:

Prior to July 1st of each year, and as may be necessary from time to time, the County, Sheriff and District shall evaluate the effectiveness of the Program and consider whether modifications to the Program are necessary or advisable to accomplish its purpose. The County, Sheriff and District agree to cooperate and negotiate in good faith in fulfilling the intent of the County, Sheriff and District concerning continuation of the Program and future funding of the Program by the County, Sheriff and the District.

VI. RIGHTS AND DUTIES OF THE SHERIFF:

The Sheriff shall provide a School Resource Officer within the corporate limits of the City of South Beloit as follows:

1. The Sheriff shall assign one regularly-employed police officer to the Program.

2. The Sheriff or designee shall perform scheduled and non-scheduled visits to schools within the District.

3. The School Resource Officer is and shall remain an employee of the Winnebago County Sheriff’s Office and shall be supervised through and directed by the Sheriff. All activities of the School Resource Officer shall be undertaken as an employee of the Winnebago County Sheriff’s Office pursuant to all applicable laws and Sheriff’s Department rules, regulations, policies and procedures.

4. Regular Duty Hours of the SRO.

A. The SRO shall be regularly assigned to the Program when school is in session on weekdays, but not during summer school, from 7:36 a.m. to 4:00 p.m. on all days of student attendance. The SRO may also be in attendance, as necessary, pre-approved by the District and at an overtime rate, to i) testify at student discipline or expulsion hearings as requested; ii) attend school and District in-service training and iii) attend parent, faculty, student, administration and other meetings to provide information regarding the SRO Program (to the extent such programs fall outside the regular duty hours of the SRO).
B. The SRO may be temporarily reassigned by the Sheriff during a law enforcement emergency or to participate in mandatory police training as determined by the Sheriff's Office. In such event, the compensation paid by the District to the Sheriff shall be proportionately reduced.

C. If the SRO assigned to the School District is absent on vacation, sick time, training days, time coming leave, personal days off, military training or other authorized absences, there shall be no replacement unless preapproved by the School District. The Sheriff will provide the District with the costs of a replacement, except as herein provided in paragraph 3 of Appendix A, which is incorporated herein and attached hereto.

5. Duties, Obligations and Procedures of the SRO.

The SRO shall/will:

A. Wear the Sheriff's established patrol uniform unless special circumstances require other form of dress.

B. Provide classroom presentations when requested by a teacher on such topics as the role of policing in the community, search and seizure, laws of arrest, traffic laws, crime prevention, victim's rights, community involvement and youth programs.

C. Participate in discussions to establish rapport with students.

D. Take appropriate law enforcement action as required by law and Sheriff's Department rules, regulations, policies and procedures.

E. Notify the school principal as soon as practical of any violations or actions which impact the school discipline, order or safety and such other violations and actions as the District Superintendent/principal reasonably requests to be reported. Should it become necessary to conduct formal law enforcement interviews with students, the SRO shall adhere to the District Policies, Sheriff's Department rules, regulations, policies and procedures, and legal requirements with regards to such interviews.

F. Obtain prior permission, advice and guidance from the District Superintendent/principal before enacting any law enforcement program with the District.

G. Provide assistance to school administrators, faculty, and staff, upon request, in developing emergency procedures and emergency
management plans to include prevention and/or minimization of dangerous situations which may result from student unrest or unauthorized intruders.

H. Be familiar with District Policies, including the District's Code of Conduct.

I. Develop a rapport with students and a working relationship with student organizations, faculty, staff members, District administrators and community members.

J. Coordinate efforts with campus supervisory personnel, i.e., campus supervisors, hall monitors, parking attendants, and building security personnel.

K. Maintain detailed, accurate and up to date records as agreed by the Sheriff and District Superintendent/principal.

L. Attend, whenever possible, school and District in-service training as recommended by the District Superintendent/principal.

M. Perform other duties which will promote the purposes of the SRO Program and which are mutually agreed upon by the District Superintendent/principal and the Sheriff.

VII. RESPONSIBILITIES OF THE SCHOOL DISTRICT:

The District shall provide to the full-time School Resource Officer the following materials and facilities, which are deemed necessary to the performance of the SRO Program.

1. A private office or area at each school within the District, furnished with a desk and office furniture, including a secured cabinet, to conduct matters of confidential business and shall be provided access to student records if necessary.

2. The District shall provide the books, handout material, or other materials necessary to support the SRO's teaching curriculum.
3. The SRO shall not be expected or asked to detain or take into physical custody any student who has only violated District Policies or to enforce District Policies. The SRO will not discipline students pursuant to any District Policies, including the District’s Code of Conduct. All disciplinary authority lies within the District. It shall be understood and agreed that a SRO, as a law enforcement officer, can only detain or take into physical custody those students for whom there is reasonable suspicion or probable cause that they have committed a criminal offense. The SRO shall not be used for regular assigned lunchroom duties, hall monitoring or other monitoring duties.

VIII. EMPLOYMENT STATUS OF SCHOOL RESOURCE OFFICER:

The School Resource Officer shall remain an employee of the Winnebago County Sheriff’s Office and shall not be deemed an employee of the District. The District and the Sheriff acknowledge that the School Resource Officer is a law enforcement officer who shall uphold the law under the direct supervision and control of the Sheriff. The School Resource Officer shall remain responsive to the chain of command of the Sheriff’s Department.

The District’s Superintendent has the rights and responsibilities to report any alleged misconduct, non-compliance with the District’s Policies or other questionable behavior on the part of the School Resource Officer to the Sheriff. Such reports shall be made in writing unless circumstances dictate making such reports in person or by phone.

IX. LIABILITY AND INDEMNIFICATION:

It is the intent of the parties that the SRO is an employee of the Sheriff’s Department. The County and/or Sheriff agrees to defend, indemnify, and hold the District harmless from any claims, suits or causes of action arising from the performance of the duties of the SRO or employment claims brought by the SRO, including but not limited to: lawsuits or administrative actions alleging discrimination, civil rights violations, noncompliance with employment statutes, workers’ compensation, improper salary withholding, improper overtime reimbursement, or improper income tax withholding.

The District shall indemnify and hold harmless the County and/or Sheriff against any and all losses, liabilities, damages, claims, suits, costs, actions, expenses or judgments, including reasonable attorney’s fees, as a result of the negligent or willful or wanton acts of the District and/or the District’s employees in connection with or as a result of this Agreement.
Nothing in this Agreement is intended to constitute nor shall constitute limitation or waiver of the defenses available to the County, Sheriff and the District, including those under the Tort Immunity Act.

X. DISMISSAL OF SCHOOL RESOURCE OFFICE; REPLACEMENT

1. In the event the District Superintendent believes that an SRO is not effectively performing his/her duties and responsibilities, the Superintendent shall notify the Sheriff’s Office. A meeting shall be conducted with the SRO in order to informally mediate or resolve any problems. If the continued assignment of the SRO is unacceptable to the District following the meeting, a different SRO shall be assigned by the Sheriff.

2. The Sheriff, at his/her sole discretion, may dismiss, reassign or transfer the School Resource Officer based on departmental rules, regulations, administrative reasons, departmental directives, and/or collective bargaining agreements or when it is in the best interest of the Sheriff’s Office to do so.

3. In the event of resignation, dismissal, reassignment, or transfer of the School Resource Officer, the Sheriff shall provide a temporary replacement of the School Resource Officer in a timely and efficient manner. A permanent replacement for the School Resource Officer shall be made as soon as practical. The District understands that the process to hire and train a qualified SRO is time-consuming. In the event that the Sheriff is unable to provide an assigned SRO under this Agreement, including cases of the SRO’s resignation, dismissal, reassignment or transfer, the compensation paid by the District to the Sheriff during regular school term while school is in session shall be reduced proportionately.

XI. CONFIDENTIALITY

WHEREAS, Chapter 34, Article I, of the Winnebago County Code of Ordinances and
Ordinance No. 2014 CO 033, approved by the County Board on May 22, 2014, currently set forth
the fees authorized by the County Board to be charged in both civil and criminal cases in
Winnebago County; and

WHEREAS, the Illinois General Assembly passed comprehensive legislation in 2018,
which completely overhauls the criminal, traffic and civil fee structures in the circuit courts
throughout the State of Illinois; and

WHEREAS, the purpose of the legislation was to consolidate fees into unified schedules
for all counties, to realign fees to be constitutional, and to provide for fee waivers for low income
individuals; and

WHEREAS, effective July 1, 2019, Section 27.1b of the Clerks of Courts Act, 705 ILCS
105/27.1b, sets out the fees to be charged in all counties in the State of Illinois by the Clerks of the
Circuit Court for the filing of pleadings and for other services provided by the Clerks in civil cases;
and

WHEREAS, Section 27.1b of the Clerks of Courts Act creates four schedules for civil
filing fees, three schedules for civil appearance fees, and establishes various other fees that Clerks
of the Circuit Court are authorized to assess in civil cases, all of which are generally classified as
"not to exceed" amounts; and

WHEREAS, Section 27.1b provides that, unless otherwise specified, the amount of the
fees shall be determined by ordinance or resolution of the county board and remitted to the county
treasurer to be used for purposes related to the operation of the court system in the county; and
WHEREAS, effective July 1, 2019, the newly-adopted Criminal and Traffic Assessment Act, 705 ILCS 105/135 et seq., sets out minimum fines to be levied and assessments to be charged in criminal and traffic cases by the Clerks of the Circuit Court in all counties in the State of Illinois; and

WHEREAS, Sections 15-5 through 15-65 of the Criminal and Traffic Assessment Act establish thirteen (13) assessment schedules for various criminal, traffic, conservation and non-traffic offenses, and for each schedule the County’s portion of the assessment is specifically listed; and

WHEREAS, Sections 15-5 through 15-65 break down how the assessment amounts are to be distributed to various County funds, if those funds are in existence; otherwise, the amounts designated for funds that are not in existence are to be placed in the County’s general fund for purposes related to operation of the court system in the County.

NOW THEREFORE, BE IT ORDAINED by the County Board for the County of Winnebago, Illinois, that Sections 34-1, 34-2, 34-3, 34-4, 34-7, 34-10, 34-11, 34-12, and 34-34 as contained in Chapter 34, Article I, of the Winnebago County Code of Ordinances, and Ordinance No. 2014 CO 033 are hereby repealed in their entireties and replaced with the following:

Initial contract will be for one year with four, one-year renewal options. Pricing may be adjusted annually if agreed to by both parties.

Prepared by: Purchasing Department
Subject: Purchase of Powered Ambulance Cots

County Code: Winnebago County Purchasing Ordinance

Background:
The Winnebago County Coroner’s office currently uses a ratchet system ambulance cot. They are handled manually by one Deputy Coroner. This current cot system is a problem and a hazard due to the weight of the system. They are very difficult to handle by a sole user.

The Winnebago County Coroner, William Hintz, feels that it is necessary to upgrade to more reliable, sturdier and better quality ambulance cots. He is recommending the purchase of two Stryker Power-Pro XT Powered Ambulance Cots through a joint purchasing agreement.

The newer model cots come with an exceptional 3-year power warranty and are equipped to safely handle up to 700 pounds.

Recommendation:
William Hintz, the Winnebago County Coroner, recommends Board approval of a Resolution Authorizing the Purchase of two Powered Ambulance Cots from Stryker Corp.

Paul —

Pursuant to our discussions the changes I made are intended to:

[1] Protect the governmental bodies from waiving their liens for essentially nothing. For example, consider the situation of a governmental body waiving its lien with the hope of encouraging a taxbuyer to take title to a parcel of property (or to prevent the taxbuyer from getting a sale in error declaration), but the taxbuyer nevertheless decides to not take title and instead lets his certificate of purchase expire. In this situation the end result would be that the original owner (the person who caused the liens to be placed on the property in the first place) would still own the property (no tax deed having been issued divesting ownership) and the liens against that owner’s property would now be released. By adding language that the governmental entity can prevent a sale in error by agreeing to waive its liens upon the issuance of a tax deed, the governmental body can protect itself from releasing liens in situations in which title is not ultimately transferred. The lien will only be released if a tax deed is taken (new ownership occurs).

[2] Reduce the number of sales in error which are declared. As we know, whenever a sale in error is declared the taxes which were distributed to the taxing bodies from the money paid by the taxbuyer at the tax sale must be returned to the taxbuyer. By requiring the taxbuyer to give the governmental bodies notice of the
sale in error application (petition), the taxing body can protect itself and the other taxing bodies from having to refund the taxes previously received by waiving its lien and preventing a sale in error being declared based on a police and welfare power lien. As we know, most sale in error declarations in Winnebago County are based on police and welfare power liens.

[3] Make sure the county collector has advance notice of sale in error applications so the collector has an opportunity to object to sales in error being granted when insufficient proof is presented by the taxbuyer.

[4] Make the taxbuyers file their applications for sales in error earlier. If a sale in error is declared prior to ~ September 5th, the county collector will be able to process the sale in error refund and then include those now again delinquent taxes in the current year's upcoming tax sale. If a sale in error is processed after the county collector publishes for the current year's tax sale, the taxes refunded on the sale in error and now again delinquent cannot be included in the current year's tax sale. In this latter instance, if that new taxbuyer does eventually obtains a tax deed the taxes which once again became delinquent due to the sale in error, but were not included in the purchase price for the new taxbuyer's certificate of purchase, may merge into the tax deed and have to be refunded upon the issuance of the tax deed.

Sec. 21-310. Sales in error.

(a) When, upon application of the county collector, the owner of the certificate of purchase, or a municipality which owns or has owned the property ordered sold, it appears to the satisfaction of the court which ordered the property sold that any of the following subsections are applicable, the court shall declare the sale to be a sale in error:

(1) the property was not subject to taxation, or all or any part of the lien of taxes sold has become null and void pursuant to Section 21-95 or unenforceable pursuant to subsection (c) of Section 18-250 or subsection (b) of Section 22-40,

(2) the taxes or special assessments had been paid prior to the sale of the property,

(3) there is a double assessment,

(4) the description is void for uncertainty,

(5) the assessor, chief county assessment officer, board of review, board of appeals, or other county official has made an error (other than an error of judgment as to the value of any property),

(5.5) the owner of the homestead property had tendered timely and full payment to the county collector that the owner reasonably believed was due and owing on the homestead property, and the county collector did not apply the payment to the homestead property; provided that this provision applies only to homeowners, not their agents or third-party payors,

(6) prior to the tax sale a voluntary or involuntary petition has been filed by or against the legal or beneficial owner of the property requesting relief under the provisions of 11 U.S.C. Chapter 7, 11, 12, or 13,

(7) the property is owned by the United States, the State of Illinois, a municipality, or a taxing district,

(8) the owner of the property is a reservist or guardsperson who is granted an extension of his or her due date under Sections 21-15, 21-20, and 21-25 of this Act.

(b) When, upon application of the owner of the certificate of purchase only, it appears to the satisfaction of the court which ordered the property sold that any of the following subsections are applicable, the court shall declare the sale to be a sale in error:

(1) A voluntary or involuntary petition under the provisions of 11 U.S.C. Chapter 7, 11, 12, or 13 has been filed subsequent to the tax sale and prior to the issuance of the tax deed.

(2) The improvements upon the property sold have been substantially destroyed or rendered uninhabitable or otherwise unfit for occupancy subsequent to the tax sale and prior to the issuance of the tax deed; however, if the court declares a sale in error under this paragraph (2), the court may order the holder of the certificate of purchase to assign the certificate to the county collector if requested by the county collector. The county collector may, upon request of the county, as trustee, or upon request of a taxing district having an interest in the taxes sold, further assign any certificate of purchase
received pursuant to this paragraph (2) to the county acting as trustee for taxing districts pursuant to Section 21-90 of this Code or to the taxing district having an interest in the taxes sold.

(3) There is an interest held by the United States in the property sold which could not be extinguished by the tax deed.

(4) The real property contains a hazardous substance, hazardous waste, or underground storage tank that would require cleanup or other removal under any federal, State, or local law, ordinance, or regulation, only if the tax purchaser purchased the property without actual knowledge of the hazardous substance, hazardous waste, or underground storage tank. This paragraph (4) applies only if the owner of the certificate of purchase has made application for a sale in error at any time before the issuance of a tax deed.

Whenever a court declares a sale in error under this subsection (b), the court shall promptly notify the county collector in writing. Every such declaration pursuant to any provision of this subsection (b) shall be made within the proceeding in which the tax sale was authorized.

(c) A court shall not declare a sale of property to be a sale in error upon the application of the owner of the certificate of purchase under subsections (a) or (b) of this Section unless the owner of the certificate of purchase has given the county collector written notice of the filing of the application for the declaration of a sale in error at least 60 days prior to the court ruling on the application, unless the county collector waives the required advance notice.

(ed) When the county collector discovers, prior to the expiration of the period of redemption, that a tax sale should not have occurred for one or more of the reasons set forth in subdivision (a)(1), (a)(2), (a)(6), or (a)(7) of this Section, the county collector shall notify the last known owner of the certificate of purchase by certified and regular mail, or other means reasonably calculated to provide actual notice, that the county collector intends to declare an administrative sale in error and of the reasons therefor, including documentation sufficient to establish the reason why the sale should not have occurred. The owner of the certificate of purchase may object in writing within 28 days after the date of the mailing by the county collector. If an objection is filed, the county collector shall not administratively declare a sale in error, but may apply to the circuit court for a sale in error as provided in subsection (a) of this Section. Thirty days following the receipt of notice by the last known owner of the certificate of purchase, or within a reasonable time thereafter, the county collector shall make a written declaration, based upon clear and convincing evidence, that the taxes were sold in error and shall deliver a copy thereof to the county clerk within 30 days after the date the declaration is made for entry in the tax judgment, sale, redemption, and forfeiture record pursuant to subsection (d) of this Section. The county collector shall promptly notify the last known owner of the certificate of purchase of the
declaration by regular mail and shall promptly pay the amount of the tax sale, together with interest and costs as provided in Section 21-315, upon surrender of the original certificate of purchase.

(de) If a sale is declared to be a sale in error, the county clerk shall make entry in the tax judgment, sale, redemption and forfeiture record, that the property was erroneously sold, and the county collector shall, on demand of the owner of the certificate of purchase, refund the amount paid, pay any interest and costs as may be ordered under Sections 21-315 through 21-335, and cancel the certificate so far as it relates to the property. The county collector shall deduct from the accounts of the appropriate taxing bodies their pro rata amounts paid. Alternatively, for sales in error declared under subsection (b)(2), the county collector may request the circuit court to direct the county clerk to record any assignment of the tax certificate to or from the county collector without charging a fee for the assignment. The owner of the certificate of purchase shall receive all statutory refunds and payments. The county collector shall deduct costs and payments in the same manner as if a sale in error had occurred.
Sec. 22-35. Reimbursement of a county or municipality before issuance of tax deed. (a) Except in any proceeding in which the tax purchaser is a county acting as a trustee for taxing districts as provided in Section 21-90, an order for the issuance of a tax deed under this Code shall not be entered affecting the title to or interest in any property in which a county, city, village or incorporated town has an interest under the police and welfare power by advancements made from public funds, until the purchaser or assignee makes reimbursement to the county, city, village or incorporated town of the money so advanced or the county, city, village, or town waives, or agrees to waive, its lien on the property for the money so advanced. However, in lieu of reimbursement or waiver, the purchaser or his or her assignee may make application for and the court shall order that the tax purchase be set aside as a sale in error, except as otherwise provided below.

(b) No application for the declaration of a sale in error may be adjudicated by the court under this Section prior to the party seeking the sale in error submitting a written request to the clerk of the county, city, village, or incorporated town for a waiver of the lien held by the county, city, village, or incorporated town under its police and welfare powers on the property in question.

(c) A court shall not declare a sale of any property be set aside as a sale in error pursuant to this Section if all liens in favor of a county, city, village, or incorporated town arising out of the expenditure of public funds under police and welfare powers are released, or the county, city, village, or incorporated town files a written statement with the court that it will release its police and welfare power liens upon the issuance of a tax deed to the property in question, within 60 days after receipt by the respective clerk of the purchaser’s or assignee’s request for a waiver of lien under subsection (b) of this Section.

(d) A party making an application for the declaration of a sale in error under this Section must give the county collector at least 60 days advance written notice of the date, time, and place of the initial hearing at which the court will be requested to declare the sale of the property be set aside as a sale in error, unless the county collector waives the required advance notice.

(e) A filing or appearance fee shall not be required of a county, city, village or incorporated town seeking to enforce its claim under this Section in a tax deed proceeding.
