

NOTICE TO TAXPAYERS IN OWEN TOWNSHIP

The **2019** OWEN Township Median Level of Assessment is 33.33%.

Your property is to be assessed at the above listed median level of assessment for your township. Assessments of all taxable property, other than farm land and farm buildings, are required by law to be equalized at 33.33% of fair market value. You may check the accuracy of your assessment by multiplying your total assessment by three and comparing the result to your estimate of the fair market value of your property. If the resulting value is greater than your estimate of the fair market value of your property, you may be over-assessed. If the resulting value is less than your estimate of the fair market value of your property, you may be under-assessed. You may appeal your assessment to the Winnebago County Board of Review.

The OWEN Township Assessor is Trent Ferguson. The OWEN Township Assessor's office is located at 6280 Owen Center Rd; the phone number is 815-965-3082, office hours: No Regular Schedule.

If you believe the full fair market value of your property is incorrect, or if you believe the assessment is not uniform with the assessment of comparable properties in the same neighborhood, you are advised to ask for a review of your assessment. Contact your township assessor's office first to ask for a review of your assessment. If you are not satisfied with the assessor's review, you are advised to file an appeal with the Winnebago County Board of Review. The Board's rules can be viewed on the Board's website: <http://wincoil.us/departments/supervisor-of-assessments/board-of-review/>. A copy of the rules can be obtained by calling the Board of Review at 815-319-4463. Taxpayers are advised the deadline for filing an appeal with the Board of Review is **Monday, September 16, 2019**.

Your assessment will have a direct relationship to your 2019 tax bill, which will be payable in 2020. All exemptions for which you are eligible will be deducted from your equalized assessed value to arrive at your taxable value. Your taxable value will then be multiplied by the aggregate tax rate of all taxing districts your property is located in to arrive at your total tax amount due.

Your property may be eligible for various homestead exemptions. Homestead exemptions are available for residences of veterans with disabilities, veterans returning from an armed conflict, persons with disabilities, senior citizens, owner occupants, and owner occupants of property which has had its assessment increased for the addition of a new improvement to an existing structure. Complete information on these exemptions is available at the Supervisor of Assessments website: <https://wincoil.us/departments/supervisor-of-assessments/> or by calling the Supervisor of Assessments office at 815-319-4460.

Regarding Farm Land assessments, Illinois law limits the annual change in certified farm **land** assessments to 10% of the prior year's certified value of the median cropped soil. The State Farmland Assessment Technical Advisory Board has adjusted all 2019 certified **farm land** values by increasing them by \$29.10 per acre.
