OF THE COUNTY OF WINNEBAGO, ILLINOIS

Annual Host Fee Award Policy

The Annual Host Fee Award Policy is intended to define the process for annual host fee award recommendation, evaluation and application approval.

Annually, during the budget process, a projection of host fee revenues and approved business incentives and multi-year commitments to be paid during the fiscal year will be compiled by administration. Based on this information, administration will make a recommendation of funds available for annual host fee awards for that fiscal year to the County Board for approval.

External Organizations (non-Winnebago County Departments / Division, however organizations must be physically located within Winnebago County to be eligible) can apply for an annual host fee award during the budget process or at any time during the fiscal year. Organizations should make annual host fee requests through a County board member or the County Board Office who will then forward the request to the County Administrator, along with a description of the organization, proposed use of the award and program outcomes outlined in the request. Awards will only be given to organizations with a 501(c)(3) tax exempt status and will require a signed W-9 form from the organization. Awards will not be made for salary or operational costs (being one-time requests that are paid within one year, non-multiyear commitments for funding the said organization), but are intended for projects that promote economic and community development within Winnebago County. Recurring awards will be approved annually based on the County Board’s satisfaction with program outcomes outlined in the original request.

The Grantee will be required to report program outcomes or return on investment at the completion of the project. Each request approved by the County Board shall require the submitting organization to report back to the Economic Development Committee upon completion of the project or within one year of County Board project approval, whichever is earlier. These reports will be presented to the Economic Development Committee and will be used in evaluating recurring awards. An organization will not be eligible to receive future funds until the required report is presented to the Economic Development Committee.

The goal of the Economic Development Committee is to develop a long-term plan to fund annual awards through other revenue sources such as the Public Safety Sales Tax, General Fund revenues and other Special Revenue Funds, as the receipt of Host Fees is anticipated to end in fifteen years.

Dear County Senior Accountant Lorenzen,

You are listed as the administrator for Winnemac County’s Revolving Loan Fund (RLF) which was capitalized by the Department of Commerce and Economic Opportunity’s (DCEO) Community Development Assistance Program (CDAP). The DCEO’s CDAP program is in turn funded by the U.S. Department of Housing and Urban Development’s (HUD) Community Development Block Grant Program established under the Federal Housing Community Development Act of 1974.

In recent monitoring, HUD has advised DCEO to review and improve its administration of the RLF program. Per HUD Notice CPD-04-11 issued October 27, 2004, an RLF capitalized prior to October 1, 1992 no longer holds a federal identity and thus may be expended in any manner deemed appropriate by the community.

Winnemac County’s RLF was last capitalized prior to October 1, 1992 and is therefore considered dissolved; no further reporting to DCEO is required and the fund is considered closed.

Please have the chief elected official of Winnemac County acknowledge receipt of this letter by signing below and return a copy to DCEO for our records. Thank you for your cooperation in this matter.

Sincerely,

David W. Harmon

Executive Summary

Date: August 22, 2019
To: Public Safety Committee
Prepared by: Purchasing Department

Subject: Inmate Food Services RFP #19P-2174
County Code: Winnebago County Purchasing Ordinance

Background:
Since late 2012, the County has been operating under an older agreement with Aramark Correctional Services to provide daily food services to Corrections and Juvenile Detention. Since 2017, Aramark has held their rates to match the fifth year of their original multi-year contract, which is $.949 per meal for inmates.

2019 RFP Process:
To find the most qualified provider, the Purchasing Department worked closely with Corrections and Detention management to develop a more comprehensive and detailed Request for Proposal solicitation.

The RFP was issued February 8, 2019. As is the general practice, we advertised and directly solicited vendors nationally.

All prospective Proposers were required to participate in a mandatory Pre-Proposal Conference, including a Corrections’ kitchen tour and an optional Detention facility tour.

In an effort to bring more “value” to the County, an optional Value Added Offer section was included in this solicitation. As a result, Proposers had the option to include their own optional feature.

Aramark was by far the most generous offer received. They have agreed to provide $145,000 worth of replacement kitchen equipment. In addition, they will replace 100 Plasticon meal trays each contract year. Routinely, Correction pays $15 each to replace damaged meal trays.

After several months of Best and Final Offers and contract negotiations with Aramark, we have come to terms with a meal cost factor 5.35% lower than current prices. The new rate is $.899 per inmate meal. Corrections typically service over 820,000 meals annually, so this nickel savings is over $41,000 dollars.
**Contract Agreement Period:**
The new RFP calls for a 2-year Agreement (“Initial Term”) with the option to renew for three (3) additional one-year terms, for a total not to exceed five (5) years. All terms and conditions, requirements and specifications of the Agreement shall remain the same and apply during any renewal term(s) unless otherwise agreed to by the County. Annual rate adjustments has been negotiated and are included in the agreement. This insures no further cost increase throughout the multiyear agreement.

The new contract recommended effective start date is September 1, 2019

**SAO Review:**
The State Attorney’s Office conducted a formal review of the contract agreement and all of Dave Kurlinkus’s additions or revisions have been included in the final version.

**Recommendation:**
There were three proposals received, with Aramark Correctional having the lowest overall meal rate. See Executive Summary Exhibit A.

The WCSO Correctional, Detention management and the Director of Purchasing, recommend the contract for RFP #19P-2174 be awarded to Aramark Correctional Services, LLC.

**Staff Follow-Up:**
Purchasing Department will route the agreement for signatures. The Fully executed agreement will be filed with executed Resolution in the Clerk’s Office, with copies provided to Corrections and Juvenile Detention.

   A. Facilities and Equipment: The County shall, at its expense, provide Aramark with adequate preparation kitchen, office and storage facilities at the Jail Facility, completely equipped and ready to operate, together with such heat, refrigeration and utilities services (including telephone and internet service) as may be reasonably required for the efficient performance of the Agreement.

      The County shall furnish building maintenance services for the Jail Facility and shall provide preventive maintenance and equipment repairs and replacements for the County-owned equipment. The County shall furnish and maintain an adequate inventory of serviceware, thermal tray and delivery equipment, pots, pans, beverage containers and utensils at the Jail Facility.
      The Center Facility at their expense shall provide serving trays and reusable and/or disposable utensils, cups, and plates.

   B. Trays: Aramark shall provide 100 trays per contract year up to five years.

   C. Emergency Plan: Aramark shall submit a contingency emergency plan to provide for meal service in the event of a Force Majeure (hereinafter defined) within 60 days after the commencement of operations. In the event of a Force Majeure, the County shall assist Aramark by permitting reasonable variations in Aramark’s menu cycle and service methods. However, Aramark shall
not be relieved of its responsibility to provide meal service under the terms of this Agreement. Additional costs, if any, incurred in providing service in the event of a Force Majeure shall be borne by the County. The term “Force Majeure” means any war, riot or other disorder, strike or other work stoppage, act of terrorism, fire, flood, or any other act not within the control of the party whose performance is interfered with, and which, by reasonable diligence, such party is unable to prevent.

D. **Meal Delivery:** Aramark personnel shall prepare meals at the Jail, shall transport such meals to appropriate areas including the Center and shall return all trays and delivery equipment to the Jail in a timely manner.

Aramark shall provide personnel and all equipment required to properly transport and serve the food at the Center three times per day, seven days per week. Food must be prepared, delivered, and able to be served at the Center starting at the following times:

8:45 AM Breakfast; 11:45 AM Lunch; 4:45 PM Dinner.

**Jail meal times:** Breakfast 7:00 AM; Lunch 11:00 AM; Dinner 4:00 PM

The Jail and the Center reserve the right to modify meal times during the term of the agreement.

All ordered sack lunches shall be delivered with the Breakfast meal. The evening snack shall be delivered daily but not later than with the delivery for Dinner.

Aramark agrees to keep at least 15 servings of milk and juice stored at the Center on a daily basis.

The Center will serve the food on Sunday, Monday, Tuesday, and Wednesday of each week except on days when the Center kitchen staff is at training, sick, or taking planned time off. Aramark shall then be responsible for service on those days.

E. **Food Products and Cleaning Supplies:** Aramark shall purchase and pay for all food products and kitchen cleaning supplies. Products purchased for use in the food service operation shall be the property of Aramark. The County shall be responsible for providing maintenance supplies and for maintaining kitchen appliances and equipment at the County’s expense.

Aramark shall purchase all food products from USDA inspected plants that are approved as strictly complying with food safety standards. All food products purchased have a manufacturer’s and distributor's assurance of safe handling. Food products are reviewed and approved by Aramark’s registered dietitians to ensure that the food products meet inmate acceptability and nutritional standards.

Aramark shall receive, store, and use government commodities for meals prepared for the Center inmates. All commodities are to be inventoried and the Center shall be reimbursed by Aramark for the commodity value of the product including freight costs at the time the product is used. Government commodities received on behalf of the Center may only be used for meals prepared for the Center.

F. **Portion Size Requirements:** All entrée portions listed on the menu that are purchased fully cooked, within the manufacturer’s tolerance specifications, are based on weight measurements prior to reheating. Casserole portions and entrée portions made from scratch are based upon weight measurements after the food has been cooked according to standardized recipes.

**Menu:** The menu served at the Facility may be modified in any way by mutual agreement of the parties.
G. **Sanitation:** Aramark shall be responsible for daily cleaning and housekeeping in the food preparation, service, receiving and storage areas, and shall, on a continuing basis, maintain high standards for sanitation. The County shall provide janitorial services outside the kitchen facilities provided to Aramark. The County shall clean the vents and ductwork leading to the roof from food preparation areas. The County shall be responsible for extermination services and the removal of trash and garbage from the designated food service area.

At the Center, Aramark shall take the trash from the kitchen and dining room to the County provided trash receptacle located outside of the Center on at least a daily basis.

H. **Personnel:** Aramark shall provide on-site management and supervisory personnel, and from its regional and headquarters locations, administrative, dietetic, purchasing, equipment consulting and personnel advice and supervision. The County shall provide inmate workers at the Facility kitchen. The number of inmates required shall be determined by the County liaison and Aramark’s district manager prior to the commencement of operations. Such inmates shall be assigned duties in the food service operation that may include sanitation, food preparation and production, and storeroom functions.

At a minimum, there shall be a Food Service Manager, one Assistant Food Service Manager, and five other full-time staff (not including Commissary employees of Aramark) per day. On weekends and holidays, the minimum number of staff must be four (4) per day. Aramark shall have adequate staff to supervise inmate labor, while meals are being prepped for, prepared and served and during clean up. At no time will the kitchen be left unstaffed/unsupervised.

The County acknowledges that Aramark has invested considerable amounts of time and money in training its management and supervisory employees in systems, procedures, methods, forms, reports, formulas, computer programs, recipes, menus, plans, techniques and other valuable information which is proprietary and unique to Aramark’s manner of conducting its business and that such information is available, on a confidential basis, to Aramark’s management and supervisory employees. Therefore, the County agrees that management and supervisory employees of Aramark shall neither be hired by the County for the term of this Agreement and twelve (12) months thereafter, nor shall the County permit management and supervisory employees of Aramark to be employed on the County’s premises for a period of twelve (12) months subsequent to the termination of this Agreement (unless such employees were formerly employees of the County). For the purpose of this prohibition, “management and supervisory employees” shall be defined as those persons who have directly or indirectly performed management or professional services on the County’s premises at any time during the twelve (12) month period immediately preceding termination of this Agreement. Aramark agrees that the personnel it provides under this Agreement remain its employees and shall not be considered employees of the County for any purpose, and the County shall not be liable for any insurance, withholding of taxes or any other obligation which is typically the responsibility of an employer.

The County retains the right to thoroughly investigate any current or prospective employees assigned to the Facility, subject to applicable Federal, state and local laws and regulations, including but not limited to, the Federal Polygraph Protection Act, as amended.

The County Sheriff and/or the Detention Superintendent have the right to conduct a criminal background and Child Abuse and Neglect Tracking System check on all Aramark employees who will work at either the Jail or Center. The Sheriff and/or the Detention Superintendent have the right to deny access to the Jail and/or the Center any person that they deem unacceptable.
Aramark agrees that all personnel at the Jail and Center must maintain the confidentiality of the inmate’s names and status at all times. They may not share that information with others for any reason outside of other Aramark employees and only for the purpose of being able to properly complete their required work tasks.

I. **Equal Employment Opportunity:** Aramark and the County mutually agree that they shall not discriminate against any employee or applicant for employment or on any matter directly or indirectly related to employment, because of race, color, religion, sex, sexual orientation, national origin, physical or mental handicap where not relevant to the job, height, weight, age, marital status, or other criteria made illegal by state or federal law or the County policy. In addition, Aramark agrees to take affirmative steps to ensure that applicants are employed, and that employees are treated, during employment, without regard to the criteria listed above.

J. **Insurance:** Aramark shall provide and maintain the following insurance coverage:

  Worker’s Compensation insurance as required by law.

  Comprehensive General (Public) Liability to include (but not be limited to) the following: Premises/operation; independent contractors; bodily injury; products/completed operation; contractual liability with a combined single limit for bodily injury and property damage of $2,000,000.00 per occurrence. Aramark may satisfy these requirements through a combination of primary and excess coverage.

K. **Business Automobile Liability Insurance** Aramark shall carry Business Automobile Liability insurance with minimum limits of one million ($1,000,000) dollars per occurrence, combined single limit Bodily Injury Liability and Property Damage and must include owned vehicles and hired and non-owned vehicles.

The County and Aramark waive any and all right of recovery from each other for property damage or loss of use thereof, howsoever occurring. This waiver shall include, but not be limited to, losses covered by policies of fire, extended coverage, boiler explosion and sprinkler leakage. This waiver shall not apply to claims for personal injury or death.

Any insurance coverage (additional insured or otherwise) that Aramark provides for the County, its officers, employees, agents and servants shall only cover liability assumed by Aramark in this Agreement; such insurance coverage shall not cover liability in connection with or arising out of the wrongful or negligent acts or omissions of the County or its officers, employees, agents and servants.

L. **Hazardous Substances; Pre-Existing Conditions.** Aramark has no duty to investigate, detect, prevent, handle, encapsulate, remove, or dispose of, and will have no responsibility to the County or others for any exposure of persons or property to, asbestos, lead, fuel storage tanks or contents, indoor air pollutants or contaminants, poor air quality, or hazardous, toxic, or regulated waste substances, mold, fungi, mildew, pollutants, or contaminants (collectively, the “Hazardous Substances”) at the Facility or the surrounding premises. The County will comply with all applicable federal, state, and local laws and regulations, which have been or will be enacted during the term of this Agreement, regarding such Hazardous Substances on the County’s premises. The County will inform Aramark of the presence of such Hazardous Substances and acknowledges that Aramark employees will not be required to work in any location where they could be exposed to such Hazardous Substances. Aramark has advised the County that it does not provide or assume any responsibility to monitor or remediate mold, fungi, mildew, indoor air quality or any similar conditions, and that all determinations and corrective actions regarding
mold, fungi, mildew, indoor air quality and any similar conditions shall be made by the County or a third party retained by the County. In no case will any Aramark employee act in the capacity of a “Designated Person” (within the meaning of the Asbestos Hazard Emergency Response Act, “AHERA”), which duties remain solely with the County.

Aramark will not be responsible for any conditions that existed in, on, or upon the Facility before the commencement date of this Agreement (“Pre-Existing Conditions”), including, and without limitation, environmental impairments, and other conditions. The County shall indemnify and hold harmless Aramark, its subsidiaries and affiliated companies, and their respective directors, officers and employees, against any liability related to, or arising out of, any defective condition or the presence of Hazardous Substances or Pre-Existing Conditions on or at the Facility or the surrounding premises, or the claimed or actual release or threatened release or disposal of Hazardous Substances from or at the Facility, to the extent not caused by the willful misconduct or grossly negligent acts or omissions of Aramark, its employees or subcontractors, including, without limitation, fines, penalties, clean-up costs, or costs of other environmental remediation measures.

M. **Damages:** In no event will either party be liable to the other party for any loss of business, business interruption, consequential, special, indirect or punitive damages.

N. **Compliance with Laws:** Each party hereto shall comply with all statutes, lawful ordinances, regulations and requirements, federal, state, and local applicable to their activities hereunder. The County shall provide reasonable and adequate physical security at all times for Aramark employees, suppliers, management and other authorized visitors.

O. **License, Fees, Permits, and Taxes:** Aramark shall secure and pay for all federal, state and local licenses, permits and fees required for the food service operation. The County represents and warrants that it is a tax-exempt entity and, further, agrees to provide evidence of its tax-exempt status to Aramark upon request. The County further agrees to notify Aramark promptly in the event of a change in its tax-exempt status. Aramark agrees to have staff who are certified as Food Safety Managers on site at all times when food is being prepared and/or served.

3. **FINANCIAL AND ACCOUNTING ARRANGEMENTS:**

   A. **FINANCIAL COMMITMENT:** Aramark shall make a financial commitment to County in an amount up to $145,000 (the “Financial Commitment”). County agrees to invest the Financial Commitment in kitchen equipment, equipment and supplies at the Facilities. Any equipment purchased by Aramark on County’s behalf shall be purchased as a “sale-for resale” to the County. County shall hold title to all such equipment (with the exception of those items which bear the name of Aramark, its logo, or any of its logo, service marks or trademarks or any logo, service marks or trademarks of a third party) upon such resale. County acknowledges that it is a tax-exempt entity and will provide Aramark with a copy of the appropriate tax-exempt certificate. The Financial Commitment shall be amortized on a straight-line basis over a period of five (5) years, commencing upon the effective date of this Agreement. Upon expiration or termination of this Agreement by either party for any reason whatsoever prior to the complete amortization of the Financial Commitment, County shall reimburse Aramark for the unamortized balance of the Financial Commitment as of the date of expiration or termination plus all accrued but unbilled interest as of the date of expiration or termination. Such interest shall accrue from the effective date of this Agreement at the Prime Rate plus two percentage points per annum, computed each accounting period on the declining balance. In the event such amounts owing to Aramark are not paid to Aramark within 30 days of expiration or termination, County agrees to pay interest on such
amounts at the Prime Rate plus two percentage points per annum, compounded monthly from the date of expiration or termination, until the date paid. The right of Aramark to charge interest for late payment shall not be construed as a waiver of Aramark’s right to receive payment of invoices within 30 days of the invoice date. Any portion of the Financial Commitment that is not expended prior to the expiration or earlier termination of the Agreement shall revert to Aramark.

B. **Meal Service and Prices:** Aramark shall provide meals to the County’s inmates, at the per meal prices set forth in Attachment A. Aramark will provide, at no additional cost, a lacto-ovo vegetarian and/or vegan diet for all religious requests from the administrative or religious authority. Other religious meals requested by the administration or religious authority, such as prepackaged meals, shall be provided at a price to be mutually agreed in advance. The County shall notify Aramark of the actual number of meals ordered each day at a mutually agreed upon time prior to meal service, and the County shall make additions or deletions to such order within a mutually agreed upon time prior to meal service. When the initial notice of meals ordered is not given timely, Aramark shall prepare and will be paid for the same number of meals as prepared for the previous day.

C. **Price:** The pricing set forth on Attachment A apply for the period of September 1, 2019 through August 31, 2024.

D. **Additional Services:** Food, beverage and other services required or desired by the Facility outside the scope of this Agreement shall be provided by Aramark upon written authorization by the County and/or Sheriff at mutually agreed upon prices for such services.

E. **Billing:** Aramark shall submit to the County on the first day of every week, for the preceding week an invoice for inmate/staff meals ordered or served, whichever is greater, and other goods or services provided by Aramark, if any. The invoice shall reflect the preceding week’s food services detailing the greater of the number of meals served or ordered on a daily basis as follows:

1. Adult inmate meals
2. Staff/visitor meals
3. Any additional food, beverage or other services, as required

Aramark shall provide the County with a comprehensive monthly summary of meals, services and credits. This summary shall be forwarded to the County Administrator or his designee each month.

**Manner of Payment:** Payments per the Illinois Prompt Payment Act

5. **MATERIAL ADVERSE CHANGE:** The financial arrangements in this Agreement are based on conditions existing as of the Effective Date including any representations regarding existing and future conditions made by County in connection with the negotiation and execution of this Agreement. If such conditions change due to causes beyond Aramark’s control, including, but not limited to, a change in the scope of Aramark’s services; menu changes; a decrease in the Facility’s inmate population or the availability of inmate labor; efforts to organize labor; increases in food, fuel, equipment, utilities, supply, and labor costs; Federal, State and local sales, and other taxes and other operation costs; a change in Federal, State and local standards, requirements recommendations, and regulations including any applicable Child Nutrition Programs; or other unforeseen external market conditions outside Aramark’s control, then Aramark shall give County written notice of such increase or change, and within thirty (30) calendar days after such notice, Aramark and County shall mutually agree upon modification(s) to offset the impact of the increase or change, which modifications may include any or a
combination of the following: an adjustment to Aramark’s price per meal, modifications to the menu, or modifications to Aramark’s scope of services.

6. **ACCESS AND RECORDS:** Aramark will maintain accurate books and records in connection with the food service operation and shall retain such records for thirty-six (36) months after the close of the federal fiscal year (October 1, through September 30).

7. **TERM OF AGREEMENT:** The initial term of this Agreement shall commence on September 1, 2019, and shall continue through September 30, 2021. By mutual agreement, this Agreement may be renewed for three (3) additional one year periods. Thereafter, the County and Aramark may extend this Agreement for additional periods of twelve (12) months each, provided that the services to be provided, and the prices thereof, for the extension period, have been mutually agreed upon by the County and Aramark.

8. **TERMINATION:**

   A. **Termination for Convenience:** Either party may terminate this Agreement for convenience, at any time during the term or any renewal or extension, upon one hundred twenty days (120) days’ notice to the other party.

   B. **Termination for Default:** Either party may terminate this Agreement upon a breach or default of this Agreement by the other party, which is not cured within thirty (30) days after receipt by the defaulting party of a notice from the non-defaulting party, specifying the nature of such breach or default.

   C. **Consequences of Termination:** If this Agreement is terminated under any circumstances, the County shall pay Aramark for all inmate and staff meals, and other services, provided by Aramark to and including the date of termination, at the prices and within the payment periods set forth in this Agreement. The County’s obligation to pay for meals and services provided shall survive the termination or expiration of this Agreement.

   Upon the expiration or any termination of this Agreement, the County agrees, if requested by Aramark, to purchase Aramark’s usable inventory of food and supplies. The purchase price for such inventory shall be Aramark’s invoice cost.

9. **INDEMNITY:** County shall not be liable for, and Aramark shall defend, indemnify and hold harmless the County, its agents servants, and employees and all elected and appointed officials of the County (collectively, “County Parties”) against any and all claims, demands, liability, judgments, awards, fines, mechanics’ liens or other liens, labor disputes, losses, damages, expenses, charges or costs of any kind or character, including without limitation attorneys’ fees and court costs (hereinafter collectively referred to as “Claims”), related to and arising either directly or indirectly from any act, error, omission or negligence of Aramark or its contractors, affiliates, licensees, agents, servants or employees, excepting only Claims caused by the sole negligence or willfulness of County Parties. This also includes Aramark’s use of any equipment and facilities at the Jail or the Center, whether or not such liability is attributable to any act of negligence by Aramark, its officers, affiliates, employees, agents, consultants, subcontractors, owners or shareholders. Notwithstanding the foregoing indemnities, Aramark shall not be liable under this clause where liability results solely from a breach of security. Aramark expressly understands and agrees that any Fidelity Bonds or insurance protection required of Aramark, or otherwise provided by Aramark, shall in no way limit the responsibility to indemnify the County Parties as hereinabove provided. Aramark shall reimburse the County for all costs, attorneys’ fees, expenses and liabilities.
incurred with respect with any litigation in which Aramark is obligated to indemnify, defend and hold harmless the County under its Agreement with the County.

Aramark shall, at its own expense, indemnify, defend, settle, and hold harmless the County against any claim or potential claim that any good, (including software) and/or service, or County’s use of any good (including software) and/or service, provided under this Agreement infringes any patent, trademark, copyright or other proprietary rights, including trade secret rights. Aramark shall pay all costs, damages and attorneys’ fees that a court awards as a result of any such claim.

11. **CONFLICTS OF INTEREST:** Aramark covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with performance of this Agreement and no person having any such interest shall be employed. In addition, no officer, agent or employee of the County and no member of its governing body shall participate in any decision relating to this Agreement which affects his/her personal interest or any corporation, partnership, association which he/she is directly or indirectly interested or has any personal or pecuniary interest.

12. **CONFIDENTIAL INFORMATION:** All financial, statistical, operating and personnel materials and information, including, but not limited to, software, technical manuals, recipes, menus and meal plans, policy and procedure manuals and computer programs relative to or utilized in Aramark’s business (collectively, the “Aramark Proprietary Information”) are and shall remain confidential and the sole property of Aramark and constitute trade secrets of Aramark. 17. **WAIVER:** The failure of Aramark or the County to exercise any right or remedy available under this Agreement upon the other party’s breach of the terms, covenants and conditions of this Agreement or the failure to demand the prompt performance of any obligation under this Agreement shall not be deemed a waiver of such right or remedy; or the requirement of punctual performance; or of any subsequent breach or default on the part of the other party.

18. **COUNTERPARTS; PDF AND FACSIMILE SIGNATURES.** This Agreement may be executed in counterparts, each of which shall be an original, but all of which shall constitute one, and the same, document.
