RESOLUTION
OF
THE COUNTY BOARD OF THE COUNTY OF WINNEBAGO, ILLINOIS
2019 CR______

RESOLUTION CONCERNING THE POLICY FOR THE PROCESS FOR AWARDING, RECOMMENDING, EVALUATING AND APPROVAL OF HOST FEE FUNDS TO OTHER ENTITIES

WHEREAS, the County of Winnebago is the recipient of host fees from the landfill; and

WHEREAS, the County of Winnebago has determined that such host fees shall be used for economic development; and

WHEREAS, the County developed the attached policy known as the Annual Host Fee Award Policy to govern the award of such host fees annually attached hereto as Exhibit A; and

IT IS NOW HEREBY RESOLVED, that the County of Winnebago, Illinois adopt as its policy for the annual host fee award recommendation, evaluation and approval process the Annual Host Fee Award Policy attached hereto as Exhibit A; and

BE IT FURTHER RESOLVED, that this resolution shall be effective on its adoption.

BE IT FURTHER RESOLVED, that the Clerk of the County Board of the County of Winnebago is directed to prepare and deliver certified copies of this resolution to the Winnebago County Regional Planning and Economic Development Director, the County Administrator, and the County Auditor.
EXHIBIT A

Annual Host Fee Award Policy

The Annual Host Fee Award Policy is intended to define the process for annual host fee award recommendation, evaluation and application approval.

Annually, during the budget process, a projection of host fee revenues and approved business incentives and multi-year commitments to be paid during the fiscal year will be compiled by administration. Based on this information, administration will make a recommendation of funds available for annual host fee awards for that fiscal year to the County Board for approval.

External Organizations (non-Winnebago County Departments / Division, however organizations must be physically located within Winnebago County to be eligible) can apply for an annual host fee award during the budget process or at any time during the fiscal year. Organizations should make annual host fee requests through a County board member or the County Board Office who will then forward the request to the County Administrator, along with a description of the organization, proposed use of the award and program outcomes outlined in the request. Awards will only be given to organizations with a 501(c)(3) tax exempt status and will require a signed W-9 form from the organization. Awards will not be made for salary or operational costs (being one-time requests that are paid within one year, non-multiyear commitments for funding the said organization), but are intended for projects that promote economic and community development within Winnebago County. Recurring awards will be approved annually based on the County Board’s satisfaction with program outcomes outlined in the original request.

The Grantee will be required to report program outcomes or return on investment at the completion of the project. Each request approved by the County Board shall require the submitting organization to report back to the Economic Development Committee upon completion of the project or within one year of County Board project approval, whichever is earlier. These reports will be presented to the Economic Development Committee and will be used in evaluating recurring awards. An organization will not be eligible to receive future funds until the required report is presented to the Economic Development Committee.

The goal of the Economic Development Committee is to develop a long-term plan to fund annual awards through other revenue sources such as the Public Safety Sales Tax, General Fund revenues and other Special Revenue Funds, as the receipt of Host Fees is anticipated to end in fifteen years.
Respectfully submitted,
Economic Development Committee

_______________________________
Lori Gummow, Clerk of the
County Board of the
County of Winnebago, Illinois
HOST AGENCY AGREEMENT – PY 2019

The National Asian Pacific Center on Aging ("NAPCA") and

Winnebago County

(Host Agency Name)

hereby enter into this agreement.

NAPCA engages the Host Agency to provide a SCSEP participant with community service work based training under the rules of the Senior Community Service Employment Program which requires that:

- the Host Agency is a private, non-profit 501(c)(3) organization or a public agency;
- the Host Agency is an equal opportunity employer that will provide a quality community service work based training assignment and adequate supervision for any NAPCA SCSEP participant;

NAPCA and the host agency mutually agree to the following:

A. NAPCA SHALL:

1. Operate the SCSEP program according to the Rules and Regulations of the U.S. Department of Labor;
2. Provide the Host Agency with an orientation and SCSEP handbook explaining the program rules;
3. Recruit, enroll, and assign a participant to the Host Agency for the purpose of engaging in productive community service opportunities;
4. Jointly define an appropriate temporary, part-time, community service work based training assignment that will consider participant skills, work history, employment goals and any barriers to employment;
5. Be responsible for paying wages and providing fringe benefits to each participant;
6. Provide the Host Agency with program documentation including time sheets, evaluation forms and any other required forms;
7. Process participant time sheets in an expeditious manner to ensure timely payment to participants;
8. Comply with all applicable laws, including workers’ compensation coverage and unemployment benefits where mandated;
9. Make every reasonable effort to place SCSEP participants into unsubsidized employment;
10. Conduct at least 1 monitoring visits to interview participants and supervisors throughout the year. The SCSEP project director may conduct additional announced or unannounced visits as necessary. Host Agencies may also be visited by NAPCA Headquarter or U.S. DOL staff as required by SCSEP Regulations.

B. HOST AGENCY SHALL:

1. Not discriminate against a participant on the grounds of race, color, age, religion, sex, national origin, age, or disability;
2. Provide consistent and on-going community service work based training to any assigned NAPCA SCSEP participant;
3. Certify that it is a governmental agency or is a non-profit agency which is currently certified as a Section 501(c) (3) organization under the Internal Revenue Code; if the Host Agency is certified as a Section 501(c) (3) agency, a copy of that certification is attached or is on file with NAPCA and is still in effect;
4. Provide adequate supervision and oversight of any assigned NAPCA SCSEP participant;
5. Treat each participant as a regular member of the Host Agency staff;
6. Provide a safe and sanitary environment in which the community service assignment can be performed;
7. Support the goals and abide by the rules of the SCSEP program as defined in the NAPCA SCSEP handbook;
8. Provide orientation regarding duties and safety protocol to any assigned NAPCA SCSEP participant;
9. Recommend suitable training for unsubsidized placement of the participant, including a detailed training plan, which includes skills to be attained and timelines for achieving the goal, which will be documented in the participant’s Individual Employment Plan (IEP) and Community Service Assignment Description;

Revised June 2019
10. Ensure that the Community Service Assignment (CSA) provides a meaningful opportunity to learn new skills and improve on existing skills, consistent with the IEP and assignment description as agreed upon by NAPCA;

11. Ensure that the Community Service Assignment Description for each participant will specify the nature of the assignment, the hours each participant will train, specific duties and tasks to be performed;

12. Agree that the length of time that a participant may remain in the same assignment will be determined in their IEP;

13. Make every reasonable effort to assist participants in identifying and obtaining unsubsidized employment;

14. Make every reasonable effort to hire the participant in available and appropriate openings at the host agency;

15. Openly communicate with the NAPCA Project Director regarding participant performance;

16. Prohibit a participant to “volunteer” beyond their assigned work hours to perform their assigned duties. Work without pay (compensatory time) at a regularly scheduled assignment is a violation of the U.S. Department of Labor Fair Standards Act. Any violation of this law may result in the immediate removal of a participant and termination of this agreement;

17. Attend annual NAPCA Host Agency supervisor meetings;

18. Allow participants to attend NAPCA Quarterly meetings and other meetings called by NAPCA;

19. Certify that none of its employees is or will be displaced from employment to provide a participant a training position;

20. Certify that CSAs will not be a substitution for any existing federally-assisted job; and will not be a position which is the same as or substantially the same as that occupied by any other person who is on lay-off or absent due to labor disputes;

21. Agree to abide by the hours and work schedules mutually agreed to for each participant and to provide periodic performance evaluations and other required documents for each participant;

22. Require each participant to verify and sign original timesheets, and require each supervisor to verify that the participant worked the hours claimed on the timesheets;

23. Provide non-federal in-kind tracking information as required by U.S. D.O.L. (number of supervisory hours provided to SCSEP participant and pay rate); verify and report supervisory hours promptly and accurately for each NAPCA participant;

24. Immediately report to NAPCA all accidents or injuries involving a participant by completing and signing NAPCA’s accident report form regardless of how minor to describe the incident within 24 hours of the occurrence.

25. Immediately inform the NAPCA Project Director of any potential labor dispute. If a labor dispute interferes in any way with a participant’s assignment, the participant shall be temporarily transferred to another site to avoid the labor dispute;

26. Acknowledge that NAPCA will transfer, reassign or remove participants based on participant needs and program goals. NAPCA makes no commitment as to how long a participant will be assigned to a host agency;

27. Acknowledge that the host agency is not the agent of NAPCA and has no right, power or authority to create any obligation, expressed or implied, encumbering NAPCA;

28. Acknowledge that SCSEP participants are not allowed to accept cash, gratuities, or gifts from or associated with their host agency assignment. This practice may result in immediate termination of the SCSEP participant and host agency;

29. Acknowledge having received a SCSEP Handbook and program orientation;

30. Agree not to provide CSAs for participants serving through another national Title V project sponsor while this agreement is in effect.

C. NAPCA and Host Agency agree that:

1. NAPCA alone has the authority of rotating or terminating a participant. Host Agency is to report if the participant violates its policies or procedures and may request rotation to NAPCA;

2. No participant will be assigned to a Host Agency where a member of his/her immediate family is in a Supervisory or oversight position of the participant. A "member of immediate family" means spouse, brother, sister, parents, stepparents, children, stepchildren, grandparents, aunts, uncles, nieces, nephews, and all in-laws;

3. No participant will be assigned to a Host Agency in which he/she holds an oversight role to the organization or one that poses a conflict of interest;

4. Participant assignments cannot include duties that are political or religious in nature;

5. The NAPCA SCSEP program is to help each participant gain the necessary training and experience with the ultimate goal of permanent unsubsidized employment.

Dear Sir,

I am writing this letter to express my interest to apply for the position of Board Member with the Housing Authority. My experience, my passion for the Housing Authority mission/vision and my eagerness to contribute to work with the board developing our communities are the reason I have chosen to apply for this role. I am an active community member with a background in Education leadership and Business Management. I would love the chance to give back by sharing my experiences and skill to the Housing Authority.

I am speaking 8 languages, 2 MBAs, MAT and Doctoral of Education in Process. I get along well with others when working in a group setting and I have the ability to help others find common ground when they disagree on what actions to take.

I am good with communication. I believe that It is a magic. Few words can change the world. Wars can start because of a word. I recall here Napoleon Bonaparte saying "We rule the world by our words".

I have fair experiences with the media as I am running several official Facebook pages such as Lincoln Middle School, Haskell School, Maria Montessori School and more.

I am confident that I will learn more from the other board members and I am sure that I have the skills and experience to hold this position. Let us work TOGETHER TO ACHIVE THE TOTAL SUCCESS

Respectfully,

Mustafa Abdall (Mus)
