2019-2020 Budget Discussion

- Committee members received the proposal reductions via email as presented at the County Board meeting last Thursday including the four scenarios. The County currently has a $4.8 million dollar deficit. Number 8 was factored in which is the new growth and CPI's. That's how the $4.152 million dollar reduction was reached which leaves about $700,000 from a balanced budget. A separate Budget Amendment will be prepared for each item.

- A discussion followed.

NOW, THEREFORE, It Is Hereby Ordained by the County Board of The County of Winnebago, Illinois, as follows:

Section 1. Incorporation of Preambles. The Board hereby finds that all of the recitals contained in the preambles to this Ordinance are full, true and correct and does incorporate them into this Ordinance by this reference.

A petition form shall be provided by the County Clerk to any individual requesting one.

Section 4. Additional Ordinances. If no petition meeting the requirements of applicable law is filed during the petition period hereinabove referred to, then the Board may adopt additional ordinances or proceedings supplementing or amending this Ordinance providing for the issuance and sale of the Bonds, and prescribing all the details of the Bonds, so long as the maximum aggregate principal amount of the Bonds as set forth in this Ordinance is not exceeded and there is no material change in the purposes described herein. Such additional ordinances or proceedings shall in all instances become effective immediately without publication or posting or any further

If these revenue sources are insufficient to pay the Bonds, ad valorem property taxes upon all taxable property in the County without limitation as to rate or amount are authorized to be extended to pay the principal of and interest on the Bonds. A complete copy of the Ordinance follows this notice.

NOTICE IS HEREBY FURTHER GIVEN that a petition signed by 13,611 or more electors of the County (said number of electors being equal to 7.5% of the registered voters in the County) asking that the question of the issuance of the Bonds be submitted to referendum, may be filed with the County Clerk of the County (the “County Clerk”) within 30 days after the date of publication of the Ordinance and this notice. If such petition is filed with the County Clerk within thirty (30) days after the date of publication of the Ordinance and this notice, an election on the proposition to issue the Bonds shall be held on the 3rd day of November, 2020. The Circuit Court may declare that an emergency referendum should be held prior to said election date pursuant to the provisions of Section 2A-1.4 of the Election Code of the State of Illinois, as amended. If no such petition is filed within said thirty (30) day period, then the County shall thereafter be authorized to issue the Bonds for the purpose hereinabove provided. APPENDIX A

TAX ASSESSMENT DEFENSE GROUP

OPERATING GUIDELINES

DECEMBER 2019

Participants: Rockford School District No. 205 (School District)
City of Rockford (City)
County of Winnebago (County)
Rockford Park District (Park District)
Rock River Water Reclamation District (RRWRD)

In order to continue the work of defending tax assessments and supporting the health of the tax base in Winnebago County, and to address issues and current conditions, policies, procedures, laws and regulations surrounding the real property tax assessment process in Winnebago County, Illinois including the rules and procedures of the Winnebago County Board of Review (BOR), the activities of the Township Assessors, the status and rules of procedure of the Illinois Property Tax Appeal Board (PTAB) and implementation of the Intergovernmental Agreement (IGA) among the above named Participants the parties to the IGA adopt the following Operational Guidelines.

1. CONTINUED EXISTENCE AND OPERATIONS.

Each Participant recognizes that the interventions in tax assessment complaints before the BOR and property tax appeals before the PTAB have been effective in maintaining the health of the Winnebago County tax base and have successfully defended many challenges to assessments. Each Participant has expressed an intent to continue the existence and operation of the Group within the parameters of the IGA and these guidelines and continue periodic funds contributions as needed for Group activities (Fund).

2. ENTITY STATUS/REPRESENTATIVES.

The Tax Assessment Defense Group is not a legal entity, but only an informal working group under the IGA. The Group is not a committee of nor a member of any Participant. The Group has no office, staff, telephone number nor files. Each participant and or its representative is responsible for maintaining its own files and records. Any inquiry addressed to and received by the Group for copies of records or reports or other items under any state or federal law for disclosure of information shall be referred to each Participant for review and response. Any inquiry addressed to and received by an individual Participant (or its representative) for copies of records or reports or other items under any state or federal law for disclosure of information shall be referred to the individual Participant for review and response. Individual Participant responses may be shared with other Participants.
APPENDIX A

Each Participant shall identify their respective representative as soon as possible after the effective date of the IGA. The representative may be changed at any time in the discretion of the Participant.

3. **GROUP MEETINGS.**

   a) **Periodic Meetings.**

   Periodic meetings of the Group are essential to discuss and approve interventions in BOR complaints and PTAB appeals. There shall be two annual meetings, one in November and one in May; and, such other meetings as need may require. The annual meetings are intended to be in person meetings at an agreed location. Other meetings may be conducted by telephone or email communication.

   - The November meeting purpose will be to review assessment complaints and supporting evidence filed with the BOR, identify complaints for intervention and make assignment of each intervention to a Participant according to their comparative tax extensions. Generally, the November meeting will be scheduled approximately three weeks following the deadline for submission of taxpayer evidence to the BOR. The Rockford Township Assessor or his deputy or other designee will be invited to the meeting. The County will arrange for copies of filed complaints seeking a reduction of $100,000.00 or more in assessment and supporting evidence to be made available to each Participant representative for review prior to the meeting. The Group will work closely with the Township Assessors on review of the filed complaints and evidence.

   - The May meeting purpose is to review the final BOR decisions on intervention cases, identify any issues relating to the BOR rules and the conduct of BOR hearings and discussion of any issues which arose during the most recent BOR hearings and decisions. Status of the funds account will be reviewed and recommendations for supplementing contributions discussed. The School District will provide a copy of account transactions for the 12-month period ending the prior April 30.

   - Other meetings may be requested by any Participant representative for purposes of selection of an appraiser and approval of appraisal prices, settlement of pending PTAB appeals, assignment of PTAB interventions and attendance at BOR rules meetings as well as deliberations.

   - Participants are encouraged to attend the deliberations of the BOR and any rule making meetings conducted by the BOR regarding complaint hearings. Participants who attend such deliberations and meetings are encouraged to report significant information to the Group.

   Assessment complaints must be filed with the BOR generally within thirty (30) days after publication of assessments. This date may vary depending on the date of
APPENDIX A

publication; but, generally occurs prior to the last day of August. In addition, evidence in support of assessment complaints must, in general, be filed by mid-October (although the specific dates are dependent on the date of publication of assessments). Written evidence by intervenors must be submitted to the BOR by a specific date (in 2018 tax cases, the submission deadline was January 10, 2019).

b) CONDUCT OF MEETINGS.

Meetings will be scheduled in accommodation of the Participant’s representatives’ schedules. Meeting notice may be sent by any Participant representative in writing, verbally or via electronic communication. Any such notice will include the date, time and location of the meeting.

Group decisions are anticipated to be made in a unanimous fashion; however, in the event of a dispute or a non-unanimous decision, a majority of a quorum at such meeting shall govern the non-unanimous decision.

Intervention in assessment complaints and intervention in or appeals to PTAB on behalf of the Group shall be the subject of Group approval; provided, that Participants are not limited nor restricted in pursuing separate interventions, PTAB appeals or intervention in PTAB appeals. In the event a Participant acts independently of the Group, Group funds shall not be used to pay costs or fees of the independently acting Participant.

4. FUNDS EXPENDITURES.

All expenditures from the Fund require approval of the Group. The Fund will be held by the School District in an account and disbursed only upon direction of the Group.

- The Fund may be expended for the cost of full or review appraisals (including the appraiser fees and reproduction expense) and expert witness fees and costs. Appraisals are direct pay expenditures such that invoices are submitted to the Group for direct payment to the appraiser.

5. ASSIGNMENT OF CASES/AUTHORITY.

The assignment of cases to a Participant shall occur at a Group annual or special meeting. It is anticipated that assessment complaints will be divided among participants in roughly the proportion of each participants tax rate. For example, if there are ten complaints, then they would be roughly divided among participants according to their relative tax rate. The School District would have at least 4-5 cases, the City 2-3 cases, the Park District and RRWRD 1 case each. The County will have no cases as it represents the Board of Review.

- Assignment of cases to Participant’s are intended to be consensual. A Participant is required to take at least the minimum number of assessment complaint interventions indicated by their respective comparative tax rates. The comparative tax rates of Participants will be computed at the November meeting. However, a Participant may voluntarily take additional cases. PTAB appeal interventions and
APPENDIX A

appeal filing shall not be subject to allocation but shall be subject to Group agreement.

- Once a case is assigned to a Participant, the Participant is expected and entitled to make all relevant decisions as to the nature and extent of evidence submission. The attorney/client relationship will exist and be established between the assigned Participant and its attorney; there will not be any attorney/client relationship between an attorney and the Group. Discretion on legal decisions, positions or arguments to advance and other such matters lies exclusively with the Participant and its attorney; provided, that such attorney may in the exercise of discretion, consult with the Group and provide periodic updates.

- Once assigned, the Participant must immediately select its attorney and attend all hearings before the BOR, PTAB and any appellate courts. The Participant is responsible for compliance with all relevant laws, rules and regulations relative to submissions, appearances and conduct before such bodies. Participants must notify the Group as to selection of counsel. Participants may use the same counsel.

- A case assigned Participant has full authority to independently determine all issues relating to such assigned case, including, without limitation, stipulations and settlement. Provided, however, such participant is encouraged to consult with the Group on settlement issues.

6. APPRAISERS AND APPRAISALS.

There are a limited number of appraisers locally. Participants are encouraged to inquire of the availability of local appraisers in order to identify those appraisers which have the necessary local knowledge, experience and training to both prepare review and full appraisals and the ability to testify at hearings. However, obtaining a review appraisal to opine on the values obtained by a taxpayer appraisal may guide decisions on whether or how to proceed in defense of an assessment complaint. In most cases, an appraisal must be obtained as evidence before PTAB.

Selection of an appraiser and a fee quote should be submitted to the Group for approval and to facilitate subsequent funds expenditures.

Appraisals should be viewed as not only evidence of value but also as a negotiation tool for settlement discussions. Where an assessment complaint is filed with an appraisal, the assigned Participant is encouraged to seek a review appraisal in order to judge whether the submitted evidentiary appraisal is valid and reasonable.

7. GROUP REPORTS.

Following the May annual meeting the Group shall develop and approve an annual report to Participants which shall include, but not be limited to a listing of cases and interventions, final BOR decisions and the total preserved and/or lost assessment value
APPENDIX A

from such cases. The annual report is intended to be prepared at the expense of participants.

8. **REVISION OF GUIDELINES.**

   The operating guidelines may be revised and amended upon the written approval of the chief executive of the governing authority of each Participant and become effective upon the last approval of all such executives.
Due to the recent withdrawal of Cherry Valley Township, we are left with the original five participants in the IGA, at least initially (additional members may join later). The total proportions of contributions will change slightly with the withdrawal of both Cherry Valley and the Forest Preserve. My calculations using the 2018 rates indicate the breakdown as:

- City (including the library levy) rate: 3.6084
- RPS 205 rate: 7.3508
- Park District rate: 1.0963
- County rate: 1.0173
- RRWRD rate: 0.1964

TOTAL

Percentages:

City: 27.19%
RPS 205: 55.40%
Park Dist.: 8.26%
County: 7.67%
RRWRD: 1.48%

100.00%

Contributions:

City: $27,190.00
RPS 205: $55,400.00
Park Dist.: $ 8,260.00
County: $ 7,670.00
RRWRD: $ 1,480.00

$100,000.00

I view the attachments as the final version of the IGAS and ready for adoption by the participants. Please confirm receipt.
