This Intergovernmental Agreement ("Agreement") is made this ___ day of February 2020 by and among the City of Loves Park, the Village of Machesney Park, the Village of Cherry Valley, the Village of Durand, the Village of Pecatonica, the Village of Rockton, the Village of Roscoe, the City of South Beloit and the Village of Winnebago, each being Illinois municipal corporations and bodies politic (any single municipality is hereinafter referred to as a "Municipality" and collectively as "Municipalities") and the County of Winnebago, Illinois, an Illinois body politic ("County"). Any Municipality or County shall be referred to as "Party" while both the Municipalities and County shall be referred to as "Parties".

WHEREAS, the Winnebago County Central Dispatch System PSAP Center ("PSAP" or "Public Safety Answering Point") provides call taking and dispatching of 9-1-1 calls ("PSAP Operations") for the Parties pursuant to a 9-1-1 system plan ("Plan") approved by the Illinois Commerce Commission in 1990, as amended in 2005, and which Plan is now administered by the Illinois State Police; and

WHEREAS, the County acknowledges it is responsible and financially obligated to pay for the call taking of 9-1-1 calls, but the Municipalities and County disagree as to whether that includes the dispatching of those calls; and

WHEREAS, the Municipalities recognize the financial challenges of the County in providing 9-1-1 services and are willing to contribute funding to provide additional revenue to support the maintenance of quality PSAP Operations if the PSAP Board (as hereinafter defined), is created; and

WHEREAS, at the request of the County, the Municipalities have agreed to provide contributions towards the County’s funding of the PSAP; and

WHEREAS, the Parties further agree to the creation of an advisory board ("PSAP Board") so the Municipalities may provide recommendations on the PSAP Operations provided by the County; and

WHEREAS, through the PSAP Board, the Parties collectively agree and commit to work cooperatively to maintain quality PSAP Operations for the benefit of the Parties to this Agreement; and

WHEREAS, the parties are authorized to enter into this Agreement pursuant to the authority of the Intergovernmental Cooperation Act (5 ILCS 220/1, et seq.) and the Constitution of the State of Illinois (Article 7; Section 10; 1970); and
WHEREAS, the Parties desire to memorialize their collaboration to ensure that the PSAP continues to provide services consistent with the laws and regulations of the State of Illinois, as may be amended from time to time; and

WHEREAS, the payment obligations identified in this Agreement shall not be deemed as an acknowledgement or assumption by any of the Municipalities of any obligation or responsibility of them to provide or contribute to the cost associated with PSAP Operations or dispatching of 9-1-1 calls nor is this Agreement an acknowledgement or assumption by the County of its obligation or responsibility to perform dispatching of 9-1-1 calls.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein, the sufficiency of which is acknowledged, the Parties agree as follows:

1) Incorporation of Recitals. The above recitals are incorporated in this Agreement by this reference and made a part of this Agreement.

2) Term of Agreement. This Agreement shall be retroactively effective as of October 1, 2019 and the initial term shall run through September 30, 2023 and shall automatically renew from year to year thereafter, subject to each Party’s right to terminate as indicated in paragraph 12 and to comply with the payment obligations set forth herein.

3) Contribution by Municipalities. The Municipalities agree to pay annually, through the initial term of this Agreement, the total aggregate amount of Five Hundred Thousand Dollars ($500,000) through the amounts listed on Exhibit A to the Agreement, according to the timing set forth in Paragraph 4 below, to be utilized by the County towards costs associated with the PSAP (“Contribution”). Each Municipality shall pay its respective portion of the annual Contribution as indicated in Exhibit A. Prior to September 30, 2023, and each succeeding year, Exhibit A shall be amended according to the process set forth in paragraph 10 below. References to “year” or “years” in this Agreement shall refer to fiscal years of the County which begin on October 1st and end on September 30th of each year. Each Municipality shall only be responsible to pay its respective agreed-upon allocation of the Contribution as indicated in Exhibit A and any subsequent amendment thereto.

4) Timing of Payments. The annual payments in Exhibit A, and any subsequent amendment thereto, shall be made in four (4) equal installments paid to the County on or before October 1, January 1, April 1, and July 1 of each year. The first installment due pursuant to this Agreement shall be made within ten (10) business days of the final Party’s signing this Agreement. The second and third installments shall be due April 1, 2020.

5) Authorization for Funding. Each Party to this Agreement shall take all required actions to authorize the funds necessary to meet its agreed-upon allocation of the Contributions set forth in Exhibit A.

6) Creation of a PSAP Board. A PSAP Board is hereby created which shall consist of one member appointed by resolution from the governing authority of each of the Parties hereto plus a member of the Winnebago County Sheriff’s Department. Each PSAP Board member may designate an alternate to attend, participate and vote on its behalf at PSAP Board meetings if
the member is absent. A designated alternate must be employed by or be a member of the representative entity from which the PSAP designating member has been appointed. The Winnebago County Administrator shall be a non-voting ex officio member of the PSAP Board.

7) **Signature and Payment Required for Board Membership.** Only signatories to this Agreement shall be members of the PSAP Board, and continued membership on the PSAP Board by each Municipal signatory shall be contingent upon the timely payment by each Municipal signatory of its portion of the annual Contribution.

8) **Powers and Duties of Board.** The PSAP Board shall have the following powers and duties:

   a) to create and to determine the general policies of the PSAP Board;

   b) to provide recommendations to the County regarding PSAP Operations;

   c) to work cooperatively on issues of common concern relating to 9-1-1 service within the County;

   d) to provide input to the County on an appropriate Budget for the PSAP to maintain a high quality of service, review historical costs relating to the PSAP and review revenues used to off-set the same; and

   e) to hold meetings in accordance with the Open Meetings Act no less frequently than on a calendar quarter basis, at which the County, to the extent available, will provide information and/or reports on all operational activity of the PSAP including statistics for each community that shall include at a minimum the totals, by month, of the emergency and non-emergency calls handled, the number of calls for service, and the PSAP’s performance in answering 9-1-1 calls within a certain time parameter and the County Administrator will provide the PSAP Board with a financial report relating to the PSAP and its operations so as to provide the Municipalities with a meaningful opportunity to provide recommendations to the County.

9) **PSAP Operations.** The Winnebago County Sheriff shall continue to direct the PSAP operations, and all employees of the PSAP shall continue to be employees of the Sheriff’s Department and the County. The PSAP shall continue to provide those services which were provided by the PSAP prior to this Agreement and such other and further services as may be required by the Plan, law or regulation.

10) **Audit and Budget.** The County shall provide to the Municipalities the relevant portion of the County’s external audit which sets forth all expenditures incurred by the County in operating the PSAP based on the County’s fiscal year. The County Administrator shall meet at least annually with the PSAP Board to review and discuss the audited amounts for the PSAP and identify County allocation of future funding. The Parties agree that the contributions in Paragraph 3 above shall remain unchanged through September 30, 2023 and that the ultimate annual budget for operation of the PSAP shall be subject solely to approval of the County Board. Changes to the total aggregate contribution for the Municipalities after September 30,
2023, shall be provided to the Municipalities no later than August 15 of the expiring budget year.

The allocation of Municipal contributions in any amended Exhibit A shall be agreed upon by the Municipalities and given to the County by September 15 of each budget year. If the Municipalities are unable to agree on changes to any Municipal allocations on an amended Exhibit A, the allocation among the Municipalities will remain proportionately the same in accordance with the most recent agreed upon Exhibit A.

11) **Future Allocations.** The annual aggregate contribution for the Municipalities ("To Be Allocated" on Exhibit A) is $500,000 and shall remain unchanged until September 30, 2023. In recognition of the cost increases to the County accruing during the first four years of this Agreement, the annual aggregate contribution for the Municipalities shall increase by 6% beginning on October 1, 2023, and shall increase 5% beginning on October 1, 2024 and on each succeeding October 1 during the term of this Agreement or any extension thereof. Nothing in this Agreement shall prohibit the Parties from agreeing to a lesser or greater increase rather than the increases referenced above, and any such agreement shall be signed by the Parties in writing.

12) **Termination.** Any Municipality which is a party to this Agreement may terminate its membership to the PSAP Board and its obligations created by virtue of this Agreement as follows:

    a) The terminating Municipality shall give written notice of its intent to terminate in the form of a certified copy of a resolution passed by its governing authority to the other parties to this Agreement.

    b) If a Municipality is in breach of this Agreement for failing to make its agreed upon contribution after thirty (30) days’ written notice of such breach has been given to such breaching member by the County Administrator, such breach shall constitute a de facto notice of the breaching member’s notice to terminate its membership.

Termination shall take effect 18 months after the date that notice is given according pursuant to paragraphs 12(a) above. Termination under 12(b) above shall take effect 60 days after written notice of the breach has been sent to the breaching Municipality. Termination of a member shall also constitute termination of its representative to the PSAP Board. The terminating Municipality shall continue to be responsible for its share of the contribution obligation through the effective date of termination as well as for any contractual obligations it has separately made with the PSAP.

13) **Rights Reserved.** This Agreement is not intended to change the Plan or alter any responsibility of any Party as it relates to the Plan or to the services currently provided by the PSAP. Notwithstanding anything to the contrary in this Agreement, other than the payment obligations identified in Exhibit A through September 30, 2023 or any payment obligations hereafter agreed to by the Municipalities, this Agreement shall not be deemed as an acknowledgement or assumption by any of the Municipalities of any obligation or responsibility to provide or
contribute towards the cost associated with dispatching of 9-1-1 calls nor is this Agreement an acknowledgement or assumption by the County of its obligation or responsibility to perform dispatching of 9-1-1 calls without such contribution.

14) **Forbearance Agreement.** No Party to this Agreement shall take action to file suit to seek judicial determination as to whether the County or Municipalities have responsibility to pay for dispatching of 9-1-1 calls until either Party provides written notice of termination of its participation in the Agreement in accordance with paragraph 12.

15) **Admission of New Members.** The PSAP Board may, by unanimous vote, approve the addition of a new Party to this Agreement subject to the new Party’s agreement to make quarterly contributions in accordance with a revised Exhibit A reflecting the inclusion of the contribution of the new Party.

16) **Termination Existing Payment Obligations.** The Parties hereto agree that the foregoing constitutes the entire agreement among all of the Parties relating to the financial contributions to PSAP operations, and in witness whereof, the Parties have affixed their respective representative signatures on the date indicated below representing thereby full authority to enter into this Agreement. Any portions of previous agreements relating to cost allocations or contributions are hereby terminated, including but not limited to those provisions as indicated in the following agreements:

a) “The Intergovernmental Cooperation Agreement for Police Dispatching” between the County of Winnebago and City of Loves Park with an effective date of May 1, 2006 ("Existing Loves Park IGA") shall terminate upon the signing of this Agreement. The monthly payments received under the Existing Loves Park IGA from October 1, 2019 through the date of the signing of this Agreement shall be applied to the first and second quarter allocations of the City of Loves Park under this Agreement with the City being responsible for the difference in payments made under the Existing Loves Park IGA and payments due under this Agreement.

b) An intergovernmental agreement for police services which was effective May 1, 2019, between the County and the Village of Machesney Park ("Police Services Agreement") includes a line item for payment to the County for 911 Dispatch. The monthly payment for 911 Dispatch under the Police Services Agreement between Machesney Park and the County shall terminate upon signing of this Agreement. Furthermore, the quarterly amounts due and payable by Machesney Park under this Agreement shall reflect an adjustment for the amounts paid by Machesney Park for the line item on Exhibit A of the Police Services Agreement for 911 Dispatch for the period after September 30, 2019, through the date of signing of this Agreement with any credit applied to the next payments due from Village of Machesney according to this Agreement.

17) **Headings.** The headings in this Agreement are for reference only and shall not affect interpretation of this agreement.

18) **Drafter Bias.** The parties acknowledge and agree that the terms of this Agreement are the result of on-going and extensive negotiations between the Parties, all of whom are represented
by independent counsel and that this Agreement is a compilation of said negotiations. As a result, in the event that a court is asked to interpret any portion of this contract, none of the Parties shall be deemed the drafter hereof and none shall be given benefit of such presumption that may be set out by law.

19) Amendments and Modification. This Agreement shall be binding upon all Parties unless and until amended in writing by agreement of all Parties or terminated as provided herein.

20) Severability. This Agreement is severable, and the validity or unenforceability of any provision of the Agreement, or any part hereof, shall not render the remainder of this Agreement invalid or unenforceable.

21) Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.
