COPS Office Award Application

IL10100

Winnebago County Sheriff's Department

SECTION 1: COPS OFFICE AWARD PROGRAM REQUEST

Federal assistance is being requested under the following COPS Office program:

Verify the COPS Office award program for which you are requesting federal assistance. A separate application must be completed for each COPS Office program for which you are applying. Please ensure that you read, understand, and agree to comply with the applicable award terms and conditions as outlined in the COPS Office Application Guide before finalizing your selection.

The program you have selected is: COPS Hiring Program

SECTION 2: AGENCY ELIGIBILITY INFORMATION

A. Type of Agency (select one)
   * Law Enforcement
Non-Law Enforcement

From the list below, please select the type of agency which best describes the applicant.

Law Enforcement Entities

- Sheriff

Please indicate if your jurisdiction is primarily considered rural, urban or suburban.

- Rural

2A. CHP Eligibility Questions

In this section, we will ask you several questions about your law enforcement agency operations and authority to determine your eligibility to apply for a COPS Hiring Program (CHP) award. Please note that CHP applicants must have a police department that is operational as of January 09, 2020, or receive services through a new or existing contract for law enforcement services. Applicants must also maintain primary law enforcement authority for the population to be served.

In addition, if funds under this program are to be used as part of a written contracting arrangement for law enforcement services (e.g., a town which contracts with a neighboring sheriff’s department to receive services), the government agency wishing to receive law enforcement services must be the legal applicant in this application (although we will ask you to supply some information about the contract service provider later).

Part I. Law Enforcement Agency Operations

A law enforcement agency is established and operational if the jurisdiction has passed authorizing legislation and it has a current operating budget. (Yes)

Q1: Is your agency established and currently operational?

Part II. Contracting to Receive Law Enforcement Services

Q1: If awarded, does your agency plan to use funds awarded under this award to establish or supplement a written contract for law enforcement services (e.g., a town contracting for services with a nearby sheriff’s department)?

Q2: Is your agency the first responder to all types of criminal incidents within your jurisdiction?

Q3: Agencies with jurisdiction limited only to correctional institutes and/or courthouse settings are not eligible under this program. Is your agency the first responder to citizen-initiated calls for service outside of a correctional institute and/or courthouse setting?

Part III. Law Enforcement Agency Authority

An agency with primary law enforcement authority is defined as the first responder to calls for service for all types of criminal incidents within its jurisdiction. Agencies are not considered to have primary law enforcement authority if they only respond to or investigate specific type(s) of crime(s), respond to or investigate crimes within a correctional institution, serve warrants, provide courthouse security, transport prisoners, have cases referred to them for investigation or investigational support or only some combination of these.

Q1: Based on the definition above, does your agency have primary law enforcement authority? (Yes)

Q2: If, in accordance with the definition above, your agency has primary law enforcement authority, does the agency that will be providing law enforcement services have primary law enforcement authority for the population to be served?

SECTION 3: GENERAL AGENCY INFORMATION

A. Applicant ORI Number IL10100

The ORI number is assigned by the FBI and is your agency’s unique identifier. The COPS Office uses the first seven characters of this number. The first two letters are your state abbreviation, the next three numbers are your county’s code, and the next two numbers identify your jurisdiction within your county. If you do not currently have an ORI number, the COPS Office will assign one to your agency for the purpose of tracking your award. ORI numbers assigned to agencies by the COPS Office may end in “ZZ.”

B. Applicant Data Universal Numbering System (DUNS) Number:

A Data Universal Numbering System (DUNS) number is required prior to submitting this application. A DUNS number is a unique nine or thirteen digit sequence recognized as the universal standard for identifying and keeping track of entities receiving federal funds. For more information about how to obtain a DUNS number, please refer to the “How to Apply” section of the COPS Office Application Guide.

- County of Winnebago

If your registered name in DUNS is different from your COPS legal name, please enter the registered name. For more information about how to obtain a DUNS name, please refer to https://www.dnb.com/duns-number/lookup.html.

C. System for Award Management (SAM)

The System for Award Management (SAM) replaces the Central Contractor Registration (CCR) database as the repository for standard information about federal financial assistance applicants, recipients, and sub recipients. The U.S. Department of Justice requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the SAM database. Please note that applicants must update or renew their SAM registration at least once a year to maintain active status.

Applicants that were previously registered in the CCR database must, at a minimum:

Create a SAM account

Log into SAM and migrate permissions to the SAM account (all the entity registrations and records should already have been migrated).
Applicants that were not previously registered in the CCR database must register in SAM prior to registering in Grants.gov. Information about SAM Registration procedures can be accessed at https://www.sam.gov.

For more information about how to register with SAM, please refer to the "How to Apply" section of the COPS Office Application Guide.

Your SAM Registration is set to expire on: 10/20/2020

Please enter date in MM/DD/YYYY format.

Note: If your SAM registration is set to expire prior to September 30, 2020, please renew your SAM Registration prior to completing this application. Contact the SAM Service Desk at 855-606-8220 or view/update your registration information at https://www.sam.gov

E. Cognizant Federal Agency: [Department of Justice] 

Select the legal applicant's Cognizant Federal Agency. A Cognizant Federal Agency, generally, is the federal agency from which your jurisdiction receives the most federal funding. Your Cognizant Federal Agency also may have been previously designated by the Office of Management and Budget. Applicants that have never received federal funding should select “Department of Justice” as the Cognizant Federal Agency.

F. Fiscal Year: From 10/01/2019 to 09/30/2020

Please enter date in MM/DD/YYYY format.

G. U.S. District Attorney Question

J. U.S. Department of Justice and Other Federal Funding

Applicants are required to disclose whether they have pending applications for federally funded assistance or active federal awards that support the same or similar activities or services for which funding is being requested under this application.

Be advised that as a general rule COPS Office funding may not be used for the same item or service funded through another funding source. However, leveraging multiple funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate. To aid the COPS Office in the prevention of awarding potentially duplicative funding, please indicate whether your agency has a pending application and/or an active award with any other federal funding source (e.g., direct federal funding or indirect federal funding through State sub-awarded federal funds) which supports the same or similar activities or services as being proposed in this COPS Office application. **SECTION 5A: COPS HIRING PROGRAM OFFICER REQUEST**

**Part I**

Enter the Fiscal Year Actual Sworn Force Strength as of the date of this application. The actual number of sworn officer positions is the actual number of sworn positions employed by your agency as of the date of this application. Do not include funded but currently vacant positions or unpaid positions.

Number of officers employed by your agency as of the date of this application:

**Full-Time:**

120

**Part-Time:**

26

What is the actual population your department serves as the primary law enforcement entity?

295260

This may or may not be the same as your census population. For example, a service population may be the census population minus incorporated towns and cities that have their own police department within your geographic boundaries or estimates of ridership (e.g., transit police) or visitors (e.g., park police). An agency with primary law enforcement authority is defined as having first responder responsibility to calls for service for all types of criminal incidents within its jurisdiction.

For FY 2020 COPS Hiring Program (CHP) applicants are eligible to apply for the number of officer positions necessary to support their proposed community policing strategy. Please keep in mind that there is a minimum 25 percent local cash match and a 12-month retention requirement for each officer position funded. The COPS Office will fund as many positions as possible for successful applicants, however, the number of officer positions requested by an agency may be reduced based on the availability of funding and other programmatic considerations.

FY 2020 CHP award funds cover 75 percent of the approved entry-level salary and fringe benefits of each newly-hired and/or rehired, full-time sworn career law enforcement officer for three years (36 months) up to $125,000 per officer position. CHP award funding will be based on your agency’s current entry-level salaries and fringe benefits for full-time sworn officers.

If your agency requests officers to be deployed as school resource officers (SRO), ALL OF THE OFFICER POSITIONS REQUESTED BELOW MUST BE USED TO DEPLOY FULL-TIME SCHOOL RESOURCE OFFICERS. Do not request more officer positions than your agency can expect to deploy in this capacity. A "school resource officer" is a career law enforcement officer, with sworn authority, who is engaged in community policing activities and is assigned by the employing agency to work in collaboration with schools. If awarded an award for SRO position(s), please note that the COPS Office requires that the officer(s) deployed into the SRO position(s) spend a minimum of 75 percent of their time in and around primary and secondary schools working on school and youth-related activities. The placement of law enforcement officers in schools carries a risk of contributing to a "school-to-prison pipeline" process where students are arrested or cited for minor, non-violent behavioral violations and then diverted to the juvenile court system. This pipeline wastes community resources and can lead to academic failure and greater recidivism rates for these students. If awarded, the recipient will agree that any officers deployed while implementing School-based Policing under the COPS Hiring Program award may not be involved in the administrative discipline of the students.
There must be an increase in the level of community policing activities performed in and around primary or secondary schools in the agency’s jurisdiction as a result of the award. The time commitment of the funded officers must be above and beyond the amount of time that the agency devoted to the schools before receiving the award. Recipients using CHP funding to hire or deploy school resource officers into schools must submit to the COPS Office a signed memorandum of understanding (MOU) between the law enforcement agency and the school partner(s) before obligating or drawing down funds under this award. An MOU is not required at time of application; however, if the law enforcement agency already has an MOU in place that is applicable to the partnership, the MOU can be submitted as an attachment in Section 13 of the award application. The MOU must contain the following: the purpose of the MOU, clearly defined roles and responsibilities of the school district and the law enforcement agency focusing officers’ roles on safety, information sharing, supervision responsibility, and chain of command for the SRO and signatures. If awarded, a recipient must submit an MOU to the COPS Office within 90 days from the date shown on the award congratulatory letter. Implementation of the COPS Hiring Program award without submission and acceptance of the required MOU may result in expenditures not being reimbursed by the COPS Office and/or award de-obligation.

In addition, in Section 6B, you must select “School Based Policing through School Resource Officers” under “School Based Policing” as your focus area.

Is your agency requesting that all of these officer positions be deployed as school resource officers (SROs)?

[No] [V] Yes

How many officers are you requesting?

In FY 2020, agencies may request the number of officer positions necessary to support their proposed community policing strategy. Please keep in mind, there is a minimum 25 percent local cash match and a 12 month retention period for each officer position funded. The COPS Office will fund as many positions as possible for successful applicants; however, the number of officer positions requested by an agency may be reduced based on the availability of funding and other programmatic considerations.

How many entry-level, full-time officer positions is your agency requesting? __________

IMPORTANT: If you later return to this section of the application and change the above number of officers you are requesting, you must then go to Section 14A, Part 1 to allow the application to recalculate your budget figures. You will also need to adjust your projection of your Federal/Local share costs in the chart located in Section 14A, Part 3. Failure to do this will cause a conflict in your budget submission. Next, your agency must allocate the number of positions requested under each of the three hiring categories described below based on your agency’s current needs at the time of this application. Please be mindful of the initial three-year award period, and your agency’s ability to fill and retain the officer positions awarded, while following your agency’s established hiring policies and procedures. CHP awards will be made for officer positions requested in each of the three hiring categories, and recipients are required to use awarded funds for the specific categories awarded.

It is imperative that your agency understand that the COPS Office statutory nonsupplanting requirement mandates that award funds may only be used to supplement (increase) a recipient’s law enforcement budget for sworn officer positions and may not supplant (replace) state, local, or tribal funds that a recipient otherwise would have spent on officer positions if it had not received an award. This means that if your agency plans to:

(a) hire new officer positions (including filling existing vacancies that are no longer funded in your agency’s budget): It must hire these new additional positions on or after the official award start date, above its current budgeted (funded) level of sworn officer positions, and otherwise comply with the nonsupplanting requirement as described in detail in the award owner’s manual.

(b) rehire officers who have been laid off by any jurisdiction as a result of state, local, or tribal budget reductions: It must rehire the officers on or after the official award start date, maintain documentation showing the date(s) that the positions were laid off and rehired, and otherwise comply with the nonsupplanting requirement as described in detail in the award owner’s manual.

(c) Rehire officers who are (at the time of application) currently scheduled to be laid off (by your jurisdiction) on a specific future date as a result of state, local, or tribal budget reductions: It must continue to fund the officers with its own funds from the award start date until the date of the scheduled lay-off (for example, if the CHP award start date is September 1 and the lay-offs are scheduled for November 1, then the CHP funds may not be used to fund the officers until November 1, the date of the scheduled lay-off); identify the number and date(s) of the scheduled lay-off(s) in this application (see below); maintain documentation showing the date(s) and reason(s) for the lay-off, and otherwise comply with the nonsupplanting requirement as described in detail in the award owner’s manual. [Please note that as long as your agency can document the date that the lay-offs would occur if CHP funds were not available, it may transfer the officers to the CHP funding on or immediately after the date of the lay-off without formally completing the administrative steps associated with a lay-off for each individual officer.]

Documentation that may be used to prove that scheduled lay-offs are occurring for local economic reasons that are unrelated to the availability of CHP award funds may include (but are not limited to) council or departmental meeting minutes, memoranda, notices, or orders discussing the lay-offs; notices provided to the individual officers regarding the date(s) of the lay-offs; or budget documents creating departmental or jurisdiction-wide budget reductions. These records must be maintained with your agency’s CHP award records during the award period and for three years following the date of the submission of the final expenditure report in the event of an audit, monitoring, or other evaluation of your award compliance.

If your agency’s request is funded, your agency will have the opportunity after the award announcement to request an award modification to move awarded funding into the category or categories that meet your agency’s law enforcement needs at that time (including updating the dates of future scheduled lay-offs).

If you need additional information regarding a modification, please contact the COPS Office Response Center at 1-800-421-6770.

Category A: New, additional officer positions (including filling existing vacancies no longer funded in your agency’s budget).

Category A Request: __________

Category B: Rehire officers laid off (from any jurisdiction) as a result of state or local budget reductions.

Category B Request: __________

Category C: Rehire officers scheduled to be laid off (at the time of the application) on a specific future date as a result of state or local budget reductions.

We also need some information about when the layoff of officers in this category is scheduled to occur. In the space below, please indicate when the officer(s) specified in this category are scheduled to be laid off.

1. Under the 2020 COPS Hiring Program, applicants are not required to hire military veterans as new hires. However, the COPS Office supports the Attorney General's commitment to hiring military veterans whenever possible. Please note that if your agency checks "yes" to the question below, your agency will be required to maintain documentation that it made every effort possible (consistent with your internal procedures and policies) to hire at least one military veteran.

Does your agency commit to hire and/or rehire at least one military veteran (as defined in the Application Guide) for the officer position(s) you have requested?

SECTION 6B: LAW ENFORCEMENT & COMMUNITY POLICING STRATEGY

Community Policing Strategy

COPS Office funding must be used to reorient the mission and activities of law enforcement agencies through initiating community policing or enhancing their involvement in community policing with the officers hired under this award program or an equal number of veteran officers who have been redeployed to implement this plan after hiring the entry-level COPS Office-funded officers. If awarded funds, your responses to sections II(a) and II(b) that follow will constitute your agency’s community policing strategy under this award. Your organization may be audited or monitored to ensure that it is initiating or enhancing community policing in accordance with this strategy. The COPS Office may also use this information to understand the needs of the field, and potentially provide for training, technical assistance, problem solving and community policing implementation tools. Please note that the COPS Office recognizes that your COPS Office-funded officer(s) (or an equal number of veteran officers who are redeployed after hiring the entry-level COPS Office-funded officers) will engage in a variety of community policing activities and strategies, including participating in some or all aspects of your identified community policing strategy. Your community-policing strategy may be influenced and impacted by others within and outside of your organization; this is considered beneficial to your community policing efforts.

At any time during your award period, you should be prepared to demonstrate (1) the community policing activities engaged in prior to the award that are detailed in section I of this application and (2) how the award funds and award-funded officers (or an equal number of redeployed veteran officers) were specifically used to enhance (increase) or initiate community policing activities according to your community policing strategy contained in sections II(a) and II(b) of this application.

Finally, we also understand that your community policing needs may change during the life of your award. Minor changes to this strategy may be made without prior approval of the COPS Office; however, recipients will be required to report on progress and changes to the community policing strategy (if any) through required progress reports. If your agency’s community policing strategy changes significantly, you must submit those changes to the COPS Office for approval. Changes are significant if they deviate from the specific crime problem(s) originally identified and approved in the community policing strategy submitted with the application. In some cases, changes to the approved community policing approaches may also be deemed significant and may require approval of a modified community policing strategy by the COPS Office, depending on the scope and nature of those changes as identified in the quarterly progress reports.

The following is the COPS Office definition of community policing that emphasizes the primary components of community partnerships, organizational transformation, and problem solving. Please refer to the COPS Office web site (https://cops.usdoj.gov) for further information regarding this definition.

Community policing is a philosophy that promotes organizational strategies that support the systematic use of partnerships and problem solving techniques to proactively address the immediate conditions that give rise to public safety issues, such as violent crime, non-violent crime, and fear of crime.

The COPS Office has completed the development of a comprehensive community policing self-assessment tool for use by law enforcement agencies. Based on this work, we have developed the following list of primary sub-elements of community policing. Please refer to the COPS Office web site (https://cops.usdoj.gov) for further information regarding these sub-elements.

II(a) Proposed Community Policing Strategy: Problem Solving and Partnerships

COPS Office awards must be used to initiate or enhance community policing activities with either the newly hired officers funded by this award program or an equivalent number of veteran officers who are redeployed to implement this community policing strategy after hiring the additional entry-level officers with COPS Office award funds. In this section you will be asked to identify the crime and disorder **problem/focus area** and the **partners** to be engaged through your requested COPS Office funding. Identifying the specific problem/focus area and partnerships that your agency plans to focus on is important to ensure that you satisfy the requirements for COPS Office funding under this program and to ensure that ultimately the additional award-funded officers (or equivalent number of redeployed veteran officers) will initiate or enhance your agency’s capacity to implement community policing strategies and approaches.

6) Using the following list, select a problem/focus area that will be addressed by the officers requested in this application. Please choose the option that best fits your problem. **You may select one problem/focus area** to address through this award funding.
When identifying a problem, it is important to think about the nature of similar incidents that taken together comprise the problem and accordingly describe it in precise, specific terms (e.g., "burglary of retail establishments", rather than just "burglary"). In doing this, it can be helpful to consider all aspects of the problem, including the likely offenders, the suitable targets/victims, and how these come together in time and space.

**School Based Policing**
- Child Sexual Predators and Internet Safety
- Children Exposed to Violence
- Youth Crime and Delinquency

**School Based Policing**
School Based Policing through School Resource Officers

Please specify the areas the school resource officer(s) would address (check all that apply):
- Address crime problems, gangs, and drug activities affecting or occurring in or around an elementary or secondary school;
- Develop or expand crime prevention efforts for students;
- Educate youth in crime prevention and safety;
- Develop or expand community justice initiatives for students;
- Train students in conflict resolution, restorative justice, and crime awareness;

Hiring deputies. Winnebago County, Illinois, has seen a disproportionate and precipitous rise in violent crimes in recent years and remains well above national rates, as reported by state law enforcement agencies (LEAs). Though Winnebago County has 11 cities and towns, its largest MSA, Rockford, accounted for 85% of the County’s violent crimes in 2017. Rockford’s rate was not only 14.5% higher than Chicago’s per 100,000 people, but more than 3.4 times the average among cities of similar size nationally. There were 1,558 violent crimes per 100,000 residents in 2017, second highest of any U.S. city between 100,000 to 200,000 residents. During the period from 2013 to 2017, Winnebago County’s largest city experienced a 26% increase in violent crime offense, mostly due to an increase in Aggregated Assault, rising nearly 36%. These statistics have put areas of Winnebago County at several “Most dangerous” lists. Exacerbating the problem, Winnebago County went into the upcoming fiscal year looking at a $6.4 million deficit, to close the gap, Winnebago County Sheriff’s Department was cut 3 million dollars in the 2020 budget putting the Sheriff’s Department in a budget crisis and unfounded to have effective and efficient law enforcement. As Winnebago County faces losing 25-30 officers, it is imperative for both officer safety as well as that of the community that Winnebago County seek and be granted, federal assistance to assist with the loss of officers.

SECTION 7: NEED FOR FEDERAL ASSISTANCE

A. Explanation of Need for Federal Assistance

All applicants are required to explain their inability to address the need for this award without federal assistance. Please do so in the space below. (Please limit your response to a maximum of 1,000 characters.)
Winnebago County went into the fiscal year looking at a $6.4 million deficit. To close the gap, the Sheriff's Department budget was cut $3 million dollars putting the department in a crisis and understaffed to have effective and efficient law enforcement. As Winnebago County faces losing 23-30 officers, it is imperative for office safety as well as that of our community that the County seek federal assistance to retain officers.

Two urgent needs referenced above are part of a larger problem for the County's overall budget. Winnebago saw a population decrease of 11.60% or 9.76% over the past decade, causing substantial reductions in tax revenue. In fact, Winnebago recorded the 2nd largest loss among Illinois 199 counties during the years 2010 to 2018. This has become a vicious cycle where high crime lowers the tax base, limiting resources and exacerbating crime issues. The local criminal justice system has been hit especially hard and without intervention, it will likely worsen.

B. Service Population

1. Enter the total population of the government entity applying for this award using the latest census estimate available in the American Fact Finder at http://FactFinder2.census.gov.

2. Check here if the population of the entity applying for this award is not represented by U.S. Census figures (e.g., colleges, special agencies, school police departments, etc.).

3. What is the actual population your department serves as the primary law enforcement entity? 295266

This may or may not be the same as the population specified above. For example, a service population may be the census population minus incorporated towns and cities that have their own police department within your geographic boundaries or estimates of ridership (e.g., transit police) or visitors (e.g., park police). An agency with primary law enforcement authority is defined as having first responder responsibility to calls for service for all types of criminal incidents within its jurisdiction.

3a. If applicable, please explain why the service population differs from the census population:

There are 11 other Police agencies

C. Fiscal Health

Enter your law enforcement agency's total operating budget for the current AND previous two fiscal years. Please note: All figures must be rounded to the nearest whole dollar.

CURRENT FISCAL YEAR (2020) $2,952,453
PREVIOUS FISCAL YEAR (2019) $2,132,917

The U.S. Census Bureau American Community Survey (ACS) provides multi-year poverty rate estimates for communities. Please go to the U.S. Census Bureau's American Fact Finder (http://FactFinder2.census.gov) to determine the percentage of individuals in poverty in your jurisdiction. For jurisdictions not included in the census (e.g., schools, universities, transit, parks), please check the box for "Not Applicable." It may be necessary to select the nearest best match to your jurisdiction (for example, a city of fewer than 25,000 people may report their county level rate). Please see the program application guide for additional information and help in using the LAUS data. For jurisdictions not included in the census (e.g., schools, universities, transit, parks), please check the box for "Not Applicable". Please note: All figures must be rounded to the nearest whole percent.

[ ] No

In addition to the data collected elsewhere in this application, the COPS Office would like to capture information from jurisdictions that may have faced an unanticipated catastrophic event that had a significant impact on the delivery of law enforcement services or have experienced an unusually large increase in the number of homicides in the past year. Examples of unanticipated catastrophic events include mass shootings, terrorist attacks, natural disasters, or other events leading to mass casualties that would not necessarily be reflected in the UCR crime statistics previously reported. Please note that if your jurisdiction is faced with an unanticipated catastrophic event (e.g., mass shooting, terrorist attack, other mass casualty event) after submission of this application, but before the application closing date, you should contact the COPS Office immediately at 800-421-6770 to update your application to include this information.

At the time of award application, applicants must affirm that they plan to retain the positions and identify the planned source(s) of retention funding. We understand that your agency’s source(s) of retention funding may change during the life of the award. Your agency should maintain proper documentation of any changes in the event of an audit, monitoring or other evaluation of your award compliance. Please refer to the frequently asked questions on retention which can be found here https://cops.usdoj.gov/chp.

SECTION 14: BUDGET DETAIL WORKSHEETS

Instructions for Completing the Budget Detail Worksheets

The following Budget Detail Worksheets are designed to allow all COPS Office award and cooperative agreement applicants to use the same budget forms to request funding. Allowable and unallowable costs vary widely and depend upon the type of COPS Office program. The maximum federal funds that can be requested and the federal/local share breakdown requirements also vary.

Please refer to the program-specific application guide to determine the allowable/unallowable costs, the maximum amount of federal funds that can be requested, and the federal/local share requirements for the COPS Office program for which your agency is applying (see https://cops.usdoj.gov/grants). To assist you, sample Budget Detail Worksheets are included in each application guide.
Please complete each section of the Budget Detail Worksheets applicable to the program for which you are applying (see https://cops.usdoj.gov/grants for requirements). If you are not requesting anything under a particular budget category, please check the appropriate box in that category indicating that no positions or items are requested.

Final calculations will be rounded to the nearest whole dollar. Once the budget for your proposal has been completed, a budget summary page will reflect the total amounts requested in each category, the total project costs, and the total federal and local shares.

If you need assistance in completing the Budget Detail Worksheets, please call the COPS Office Response Center at 800-421-6770.

SECTION 14A: BUDGET DETAIL WORKSHEETS

Instructions: This worksheet will assist your agency in reporting your agency’s current entry-level salary and benefits and identifying the total salary and benefits request per officer position for the length of the award term. Please list the current entry-level base salary and fringe benefits rounded to the nearest whole dollar for one full-time sworn officer position within your agency. Do not include employee contributions. (Please refer to https://cops.usdoj.gov/grants for information on the length of the award term for the program under which you are applying.)

Special note regarding sworn officer fringe benefits: For agencies that do not include fringe benefits as part of the base salary costs and typically calculate these separately, the allowable expenditures may be included under Part 1, Section B. Any fringe benefits that are already included as part of the agency’s base salary (Part 1, Section A of the Sworn Officer Budget Worksheet) should not also be included in the separate fringe listing (Part 1, Section B). Please refer to https://cops.usdoj.gov/grants for information about allowable and unallowable fringe benefits for sworn officer positions requested under the program to which your agency is applying.
